FAVORS EARLY REVISION OF CONSTITUTION

Changes Needed for Wider Control of Social Legislation, Premier Asserts

START MAY BE MADE AFTER NEXT ELECTION

OTTAWA, April 11 (CP).—Premier R. B. Bennett favors early revision of the British North America Act, Canada's written constitution, to permit the Dominion to take wider control of social legislation, he told the House of Commons today. But he intimated he did not intend to make a start in that direction until after the next election.

Interrupting a leisurely debate on the Government unemployment relief bill, Hon. W. D. Euler, former Liberal Minister of National Revenue, threw out a suggestion for a commission to study co-operation of social legislation under a central authority. He proposed unemployment insurance, old-age pensions, health insurance, workmen's compensation, widows' allowances, and poor relief under Dominion administration.

NECESSITATES CHANGES
A social legislation set-up on the Euler plan would necessitate revision of the British North America Act, noted the Prime Minister, because the provinces at Confederation are given this jurisdiction.

"There is not the slightest doubt in the world," continued the Prime Minister, while members discarded their newspapers and sat upright in their seats, "that unless there is a rearrangement of the powers of

Air Minister Returns From Long Tour

Lord Londonderry, British Air Minister, on His Arrival at Croydon Recently, Reaches Down to Shake Hands With His Baby Granddaughter, Hon. Jane Stewart. He Had Returned From an Air Tour of the East Where He Held Conversations Concerning a Possible All-Red Indian and South African Air Mail Route.

Bitter Attack on Radio Commission Occupies Session

Private Station Operators Loud and Long in Criticism of Rulers of Canadian Radio—Suggestions Made for Improvement in Broadcasting of Programmes in the Dominion

OTTAWA, April 11 (CP).—Rulers of Canadian radio were subjected to a barrage of criticism before the House of Commons Radio Committee today, with two private operators leading the attack on the Canadian Radio Broadcasting Commission, and one of the two declaring the commission had spared no pains in trying to drive his station off the air.

The fact that announcers on nation-wide programmes made their announcements in French and English had led people of Saskatchewan to switch their receiving sets to United States programmes, in the opinion of H. C. Buchanan, representative of the Moose Jaw Radio Association, which operates Station CHAB, in the Saskatchewan city.

GREAT DISSATISFACTION
There was great dissatisfaction in Southern Saskatchewan, according to Mr. Buchanan. The commission had altered wave lengths several times, and each change had resulted in "making things worse." With regard to his own station, first in the field at Moose Jaw, the commission had refused to allow him to broadcast programmes, but had given them to a later-established station.

"If the commission had come to us and said, 'Here, take a few dollars and get out—we're going to take over your station,' it might have been different," he said. "But they subjected us to a lot of annoyances to force us out and that's our chief objection."

AGAINST THE ACT
However, his entire complaint, he said, was against provisions of the Radio Broadcasting Act, rather than the commission itself.

Saved From Death After Three Days At Sea in a Dory

LUNenburg, N.S., April 11 (CP).—Rescued from death after drifting three days at sea in an open dory, Manuel Joseph, twenty-one-year-old seaman on the Gloucester fishing schooner Gloucester, was brought into port today aboard the Lunenburg vessel Delawana II.

The tiny craft had kept him afloat for sixty hours after he strayed from his ship in a blinding snowstorm. He had neither food nor water on the dory.

APPEAL FOR FEDERAL AID

Eight Persons Being Questioned in Connection With Bremerton Butchery

SEATTLE, April 11 (AP).—An appeal to the Department of Justice for aid in solving the "Bremerton butchery" of six persons, and questioning of five more and three women by King County officers were today developments in the "mystery of Island's Point."

POSSIBLE CONNECTION
Savage added his personal appeal to that of Prosecutor Warren Miller, of Kitsap County, in a wire to the Attorney General that Federal authorities aid the state, county and city police now working on the case of the sextet slaughter on March 29 in the house of Frank Flieder, near Bremerton.

King County Detectives R. A. J. Allingham and W. H. Sears, arrested eight persons in connection with a series of robberies in Western Washington, said they found evidence indicating a possible connection with the butchery.

Those questioned were Roy Duclaw, John Murphy, his wife Geraldine, Porter Pettijohn, Einar Morrison, Mrs. Beatrice O'Malley, George Shepherd and Mrs. Babe Reid.

HAS TWO WOUNDS
Officers said Duclaw, who had two bullet wounds in the leg, had a pistol on him when he was arrested in the Bremerton murders, and it was submitted to Chief of Seattle Detectives Luke S. May, noted criminologist, for examination.

"We know all the prisoners have been associated with each other," said Sheriff Claude G. Bannick, of King County, "and Murphy admits having committed robberies both in Seattle and Everett, while others have told us of additional stick-ups. This will enable us to hold them until we can find if they know anything about the Bremerton murders."

John McFarlane's body was found Friday, buried in a shallow sand-pit grave, about 300 yards from his home. His head had been battered. He had been missing since Tuesday.

CONFESSION ALLEGED
On Saturday, a fourteen-year-old schoolmate told police he had slain McFarlane by striking him with an axe, following a feud arising out of destruction of his dog by police, after the animal had bitten the McFarlane boy.

The accused boy appeared at the inquest today, alternately staring vacantly about, while fifteen witnesses testified, and grinning when clothing of the slain boy and a hammer-headed hatchet, the alleged weapon, were shown.

Formally charged with the murder on Monday, when he appeared before Magistrate W. L. Parkin in juvenile court, he will come up for preliminary hearing here on Friday.

INDIAN RULE TO BE PROTECTED
Government Anxious Not to Destroy Living Institution by Subversive Acts

NEW DELHI, April 11 (CP, via Reuters).—Designed to protect the Indian native states from any subversive activities that might be conducted from British India, the Indian States Protection Bill passes the Legislative Assembly tonight by a vote of 87 to 28.

MILLIONS IN PIRATES' GOLD LOCATED IN THE SOUTH SEAS

Twenty-Five Tons of Peruvian Ingots Said to Have Been Found Buried in Sand—French Government Posts Guard to Insure Getting Share of Wealth Recovered

Small Island Dug Over In Earlier Treasure Hunt

PAPEETE, Tahiti, April 11 (AP).—An enormous cache of pirate gold, estimated at being worth \$45,000,000, has been reported located on a lonely island of the South Seas, and the French Government is said to have placed sufficient credence in the story to order the posting of a guard at the spot, with a view to claiming half of any treasure recovered.

The find was reported by an organized group, which has been hunting for the buried treasure for four years. Last month the expedition sailed from here, and returned only recently with a story that the gold had been found buried under sand and water, on an island of the Tuamotu Archipelago, east of the South Pacific French Colony.

OPERATORS DEFY N.R.A.
Coal-Mine Owners Refuse to Take Hours and Wages Order

WASHINGTON, April 11 (CP).—N.R.A.'s order establishing a seven-hour day and higher wages, in the bituminous coal industry of the United States, was defied tonight by John Johnston, representing Alabama coal operators. He said: "As between civil war in the industry, and subjection of the industry to three pro-consuls working through a military ringmaster, we prefer civil war."

Speaking at the closing session of the Recovery Administration's coal wage hearing, Johnston said: "So far as we are concerned, we have definitely and finally determined that we will not conform any further to any one man's determination of policy and dictation in repudiation of essential basis and covenant of the code. (The Bituminous Coal Code.)"

CONCLUSION IS FINAL
"That conclusion on our part is final, and we are prepared to take the consequences to save this industry from a destination worse than the economic chaos of the past."

Johnston was followed to the platform by John L. Lewis, international president of the United Mine Workers, who characterized the Alabama statement as "bombast."

"There is no reasonable man who does not recognize the statement as being bombast," Lewis said, "because the Alabama coal operators are not quite ready yet to declare war on the United States."

WILL FURNISH AID
"If they feel they are, however, the United Mine Workers are ready, within fifteen days, to furnish the President with twenty army divisions of men to help force the Alabama coal operators to comply with the law of the United States."

"I doubt, however, if it will come to that."

CANNOT FIND GOOD BRAINS IN HOLLYWOOD

HOLLYWOOD, Calif., April 11 (AP).—An outburst of applause from the National Movie Theatre Owners' convention today greeted Cecil De Mille, noted producer-director, when he said "Hollywood is a desert when you are looking for brains."

This was before De Mille went on to say: "There are plenty of brains in Hollywood, but they are all under studio contract."

KILLED IN COLLIERY
NATAL, B.C., April 11 (CP).—William Jenkins, fifty-six-year-old, tonight, as a result of injuries received when he fell into a pot hole at the Michel Colliery and was crushed, last night. He was born in Wrexham, North Wales.

Provincial Police Are Not Wanted, Saanich Commission States

No Saying to Municipality if New Force Introduced—Head of B.C. Organization Under Attack—Metropolitan Patrol Suggested

NO change in the existing police methods in Saanich Municipality: an attack on Commissioner J. H. McMullin, of the Provincial Police, for supplying unauthorized persons with estimates on patrol of the district; mooted establishment of a metropolitan force for Greater Victoria, and a complete denial that Provincial Police in Saanich would be cheaper than the present force, were features of the Saanich Police Commission meeting last night.

The meeting concluded when an official statement from the board, setting forth its reasons for not considering Provincial policing necessary in Saanich, was ordered sent to all taxpayers' associations and correspondence pertaining to the whole matter from Commissioner McMullin and various ward associations.

HIT AT OFFICIAL
A letter was ordered sent to Hon. G. M. Sloan, K.C., Attorney-General.

UNREST FLARES INTO DISORDER

French Miners and Royalists Clash—Strikes Continue in Paris

HENIN, Lierdard, France, April 11 (AP).—Political bitterness, amounting since the disorders of February 6, flared into a riot tonight in which a miner was killed and fourteen were injured.

Twenty shots were fired when workers jammed their way into a hall where Leon Daudet, Royalist leader, was scheduled to speak.

FIRE ON INVADERS
Police said the worker was killed when the Camelsot was fired, or the King's Henchmen, as the Royalist youth organization is called, opened pistol fire on the invaders.

The workers, mostly Communists and Socialists, seized chairs and tables.

Twelve Camelsots were injured. Five others were hurt were workers. Five pistols were later found on the floor of the hall. Daudet failed to appear.

STRIKES IN PARIS
PARIS, April 11 (CP via Havas).—Telephone, telegraph and postal services continued to suffer today as employees staged intermittent fifteen-minute strikes.

At the Central Telephone Office, where employees have been demonstrating during the last two days, another brief interruption of service left the city without telephones during the noon hour for fifteen minutes.

MERCY RECOMMENDED
HALIFAX, April 11 (CP).—A verdict of guilty, with a recommendation for mercy, was returned by a Supreme Court jury this afternoon against Daniel P. Sampson, Halifax Negro, charged with the murder of twelve-year-old Bramwell Hefferman.

DETROIT UNDER STRIKE MENACE

Sixty-Two Shops Refuse Demands—Walkouts Becoming General

NEW YORK, April 11 (AP).—Refusal of sixty-two Detroit shops today to listen to wage and hour demands of the Mechanics' Educational Society, confronted the automotive industry with another menacing walkout.

Union representatives announced they would call 18,000 tool and die-makers out on strike at midnight Thursday.

MORE LABOR TROUBLES
Other industries were sharing labor troubles as their workers pressed petitions for return to the 1928 wage levels.

Aviation manufacturers, employing 2,000 workers, at East Hartford, Conn., were notified that the strike already begun would be extended to the Chance Vought Corporation. Works unless three affiliated companies granted 10 per cent wage increase.

A 10 per cent wage advance was rejected by 3,000 striking shipyard workers at Camden, N.J., and the strike will go on until wages advance 25 per cent, they announced.

Operations at the Camden plant of Campbell Soup Company began on a limited scale with the return of 400 of the 2,300 strikers, but union leaders said the strike would continue.

A strike of oil field workers, scheduled to begin at Enid, Okla., was deferred to await a Government inquiry.

TREAT PICKPOCKET IN QUIANT OLD WAY
CAIRO, April 11 (CP via Havas).—In the presence of a great number of pilgrims, an Arab who stole the purse of a pilgrim going to Mecca and which contained about 1,000 francs, had his right hand cut off, according to a quaint old Arab custom. "The hand was raised atop a mast on the public square."

Lethbridge Welcomes Governor

LETHBRIDGE, Alta., April 11 (CP).—An enthusiastic and hospitable welcome was extended tonight to the Governor-General and Lady Beesbrough, who are homeward bound after a tour that took them as far as the Pacific Coast.

Lord and Lady Beesbrough will journey to Cardston tomorrow and there visit the Latter Day Temple and St. Paul's Indian School. They leave for Medicine Hat in the evening.

BLIND DEMAND WORK
MADRID, April 11 (CP via Havas).—Blind men and women paraded through the streets of Madrid, halting traffic, today, protesting that they wanted work.

FIRE RAZES COSTLY HOME
LARCHMONT, N.Y., April 12 (AP).—Fire wrecked the \$300,000 home of A. B. Blumenthal, wealthy theatrical producer and real estate man, early today.

Priceless Panel Is Stolen From Belgian Cathedral

GHEENT, Belgium, April 11 (AP).—One panel of a world-famous triptych, "The Adoration of the Lamb," a work of the brothers, Hubert and Jan Van Eyck, was stolen today from the St. Bavon Cathedral here.

Holst Music Gives Fresh Interest to Madrigal Concert

Cathedral String Orchestra and Choir Delight Audience in Programme of "Modern" Character—Miss Jones and Smyth Humphreys Soloists

If the programme given by the Victoria Madrigal Society and the Cathedral String Orchestra, at the Empress Hotel last night, was to be taken as representative of Victoria's musical taste, the uninitiated might conclude that the city had a decided flair for the modernistic. On the contrary, it must be confessed that it was quite the most modernistic programme that has been offered by these or similar organizations, and any commendation in connection with the presentation of the Holst works, particularly, must be placed entirely to the credit of the honorary conductor, Stanley F. Bulley, A.R.C.O., L.R.A.M., who has already introduced local concert patrons to a number of new contemporary composers.

Everyone was interested; the majority were both interested and delighted—not only with the opportunity afforded to hear some of Holst's work, but to hear how well Victoria musicians are able to present it, and the fine ambition, energy, and technical capacity that are represented in such a performance. The interest and enthusiasm were all the more apparent in that the audience comprised most of the leading musicians of the city as well as the regular concert patrons, many of whom were subsequently heard expressing the wish that they could hear the "Rig Veda" choral hymns again in the very near future. It is rather too profound, to be completely absorbed, in a compositionally complex, and novel single hearing, and undoubtedly a little familiarity would greatly enhance one's appreciation and enjoyment of what was instantaneously recognized as magnificent music.

Is Found Guilty Although Insane

REGINA, April 11 (CP).—Though a psychiatrist adjudged him insane, Robert Stepp, Regina youth, was found guilty by a jury today of attempting to extort \$5,000 from J. J. Cohen, Regina merchant, by threats to poison his children.

The jury added a rider to its verdict recommending leniency. Stepp will be sentenced tomorrow.

Dr. A. Campbell, superintendent of the Weyburn Mental Hospital, said Stepp, suffering from dementia praecox, an adolescent insanity, and was a victim of delusions.

POLICE SQUADS ARE KEPT BUSY

Crowds of Striking Loggers Threaten to Create Trouble in Vancouver

VANCOUVER, April 12 (CP).—Squadrons of British Columbia Mounted Police were called into action last night when more than 1,000 striking loggers threatened to create a disturbance.

The loggers gathered about employment agencies on Cordova and Carrall Streets when a superintendent of one of the agencies was affected by the strike entered an agency to obtain workers late in the evening. City police were called and they escorted the superintendent from the premises.

When the strikers connected to mill about the streets looking for "scabs," the Provincial and R.C.M.P. officers were called. They kept the men moving, but it was not until early this morning that the streets were completely cleared.

While the situation was tense for several hours, there were no clashes between the strikers and the officers.

SAYS SENSE OF HUMOR LACKING

University Society Told Newspapers and Theatres Are Full of Gloom

EDMONTON, April 11 (CP).—Manning and a group of young men, L. W. Brockington, K.C., Calgary city solicitor, declared here tonight, in an address to the University of Alberta Philosophical Society, that the sense of humor was lacking in this Province. We understand that they will pass legislation that will allow farmers to make compromises to the detriment of the sense of humor of their assets.

Two Young Boys Burned to Death

OTTAWA, April 11 (CP).—Two young boys died and three members of a family of five flames swept the home of Frederick Coldham here tonight. The boys, Roy Coldham, four, and Jack, four, were suffocated in their beds. Their father, who was recovering from an operation, suffered severe burns and shock.

NO SCHEME YET FOR AIR SERVICE

Not Yet Ready for Trans-Atlantic Flying to Canada—Landing Grounds Being Established

LONDON, April 11 (CP, via Havas).—No concrete scheme for trans-Atlantic air service to and from Canada has yet been put forth, Sir Philip Sassoon, Under-Secretary for Air, declared today in the House of Commons, when questioned as regards the development of Empire aviation.

"As regards services to and across Canada," Sir Philip said, "no concrete scheme for trans-Atlantic air service is at present under discussion. At the same time, I understand that considerable progress has been made in the establishment of a chain of landing grounds across the Dominion."

"I am not in a position to give any more detailed information at this stage."

POLICE ON TRAIL OF HUNTED MAN

Forces Mobilized in Louisiana on Report That Dillinger Was Seen on Highway

SHREVEPORT, La., April 11 (AP).—Shreveport and Cadeville police officers and officers from Marshall, Texas, mobilized shortly before midnight tonight on the highway between the two cities to await the approach of a car believed to be carrying John Dillinger. The tip came from the United States Department of Justice, officers said.

The car, under suspicion, was sighted in Carbon Hill, Ala., today, and officers said its driver was identified as Homer Van Nester, companion of Dillinger. A second passenger in the car was believed to be Dillinger, and officers expressed the belief the gang leader was wounded.

Carbon Hill is 500 miles east of Shreveport, and authorities here were prepared to keep an all-night vigil to await the arrival of the car.

The young wife was making her first attempt at cooking, and her husband came into the kitchen to watch the good work.

"The book says 'beat the white of the egg till stiff,'" she said, "so I think it must be done by now."

"Why, it isn't stiff yet," replied her husband.

"No, but I am," she said.

Flight Inaugurates Air Mail Service

NEW PLYMOUTH, N.Z., April 12 (CP Cable via Reuters).—The Australian airman, C. T. Um, landed here today from Sydney, Australia, carrying aboard his airplane, Faith of Australia, a consignment of 20,000 letters, the first air mail to be flown from Australia to New Zealand. The distance is about 1,200 miles.

Um, one of the companions of Sir Charles Kingsford-Smith on his famous flight across the Pacific aboard the monoplane, Southern Cross.

ALBERTA ACT IS APPROVED

Natural Products Marketing Bill Given Third Reading at Edmonton

EDMONTON, April 11 (CP).—The Alberta Natural Products Marketing Act, which gives the Lieutenant-Governor-in-Council power to proclaim Federal legislation dealing with marketing of natural products and provides for appointment of a Provincial marketing board, was given third reading in the Alberta Legislature today.

Another measure given third reading was the Provincial Agricultural Debts and Credits Act, which also gives the Lieutenant-Governor-in-Council power to proclaim Federal legislation relating to compromising of debts owing by or extension of credits to, those engaged in agriculture.

When this bill was considered in committee of the whole, W. R. Rowson, Liberal leader, expressed objection to the House in being called upon to approve something of which it did not have complete information.

"I have given all the information that the Government has about the Dominion Act," replied Premier J. E. Brownlee. "This bill has been introduced at the suggestion of the Government."

Mr. Rowson: "Is it the intention of the Dominion Government to advance money to farmers to compensate them if that is to be done, we should know it."

The Premier remarked that his understanding was that the bill would substantially comply with recommendations that the Prairie Governments had made to Ottawa some time ago.

"We cannot control Federal legislation," remarked the Premier. "If Ottawa does not pass a bill, this one will not be operative. If it does, one in this House is going to object."

"We do not know what the Dominion intends to do," the Premier added. "We have been told that they intend to introduce amendments to the Bankruptcy Act. Under that act, they have exclusive rights in the legislation from this Province. We understand that they will pass legislation that will allow farmers to make compromises to the detriment of the sense of humor of their assets."

Added Powers Proposed for British Police

LONDON, April 11 (CP).—Additional powers of search and seizure are conferred upon the police in the Government's "incitement to disaffection" bill passed today.

The object of the measure, applicable also to Scotland and Northern Ireland, "is to make better provision for the prevention and punishment of any endeavor to seduce the members of His Majesty's forces from their duty or allegiance," the bill says.

It is proposed to give sweeping rights to order searches of private premises where it is suspected there is seditious literature intended for distribution.

MAKES APPEAL TO PROVINCES

Senate Leader Asks for Views on Proposed Insurance Legislation

OTTAWA, April 11 (CP).—An appeal to the provinces of Ontario and Quebec to state their views in regard to insurance legislation now before the Senate was made today by Rt. Hon. Arthur Meighen, Government leader in the Chamber.

The appeal was made at a meeting of the banking and commerce committee of the Senate.

Hon. N. W. Rowell, as counsel for the Canadian Life Insurance Officers' Association, had given a careful review of the years of efforts to get legislation that would be within the jurisdiction of the Dominion. Senator Meighen remarked that Leighton Foster, of the insurance department of Ontario, was in the room and he hoped would be able to state Ontario's views. Mr. Foster, however, said he had no instructions to do so.

WANTS THEIR VIEWS
"I hope you will take this up with your chief," Senator Meighen said. "The committee was doing its utmost to draft legislation that would meet as far as possible the objections of Ontario and Quebec. He hoped they would express their views in regard to it."

"Three times you have tried to get over the hurdle and missed every time," said Mr. Rowell, referring to the three occasions the Privy Council had found Dominion insurance acts ultra vires. "If this one fails we might just as well quit."

The Privy Council held the business of insurance was within the jurisdiction of the province. The Dominion sought to make its legislation sound by way of the Criminal Code and the Privy Council threw it out. It will be further considered by the committee tomorrow.

Two Are Killed In Factory Fire

ST. LOUIS, April 11 (AP).—Two persons were killed and four others were injured in a fire at the Brown Shoe Company supply factory and warehouse here today.

Three hundred employees at the factory were rescued from the building by firemen of twenty companies. The fire caused \$5,000 damage.

The new boarder sniffed contemptuously after taking the first mouthful of the pie.

"Funny stuff, this," he said, turning to the landlady. "I need some 'orn' funny stuff, is it?" she stormed. "Let me tell you, young man, I've been making pies for over thirty years."

"Really," said the boarder promptly, "then I think this is one of your first attempts."

FAVORS REVISION OF CONSTITUTION

Continued from: Page 1
Parliament and the Legislatures of the provinces, in the very nature of things, the problem cannot be dealt with.

HAS NECESSARY DATA
A commission to study co-ordination of social legislation was unnecessary, the Prime Minister said. The Government already had all the information it needed. "If I have the jurisdiction I need nothing further in the way of information. I say that very frankly because we have spent enormous efforts and considerable time and patience to see that (information) is available. All I can usefully say at this time is that I hold a very strong opinion as to the necessity of an early revision of the provisions of the B.N.A. Act. I need no go further except to say that we recognize the difficulty and any steps we may take toward the solution of it will be taken."

CHANGES IN OFFING
"But we have not yet approached the problem of amending the B.N.A. Act," he said. "That is in the future. I suppose that the course of human events and when an indulgent and grateful electorate have honored us with their support, we may be able to make such changes as may be necessary."

The House devoted another full afternoon to discussion of the Unemployment Relief Bill without progress made.

Before 1929, Mr. Bennett said, the average number of unemployed in Canada was 43,000. This did not include dependents, who would bring the total number needing relief to something in excess of 400,000.

He had hoped it might have been possible to dispense with a relief measure this Spring, but the January conference with provincial Premiers had thought otherwise, though expressing the hope conditions would obviate the expenditure of large sums of money for relief.

MOVES AMENDMENT
Roe W. Gray (Liberal, Lambton West), moved an amendment to the measure. The amendment provided nothing in the bill "shall be deemed to authorize the Governor-in-Council to loan or advance money to, or guarantee the payment of money by any public body, corporation or undertaking."

At the suggestion of the Prime Minister, in charge of the bill in the absence of Hon. W. A. Gordon, Minister of Labor, suffering from throat trouble, the amendment was allowed to stand.

To E. J. Young (Liberal, Weyburn), the Prime Minister declared no repayments would be demanded with respect to relief expenditures in Saskatchewan for which the Federal Government had taken full responsibility.

NO RETURN DEMANDED
There had been some voluntary repayments and might be more, but no return would be demanded either from the Provincial Government or from individuals.

This was in reference only to those expenditures in which the Federal Government had assumed entirely to deal with what had become a national problem of relief because of drought and pests. There were other forms of relief in the way of shared costs by agricultural and advances or guarantees to the Government of Saskatchewan in common with other provinces.

Pedestrian (to boy) leading a skinny mongrel puppy: "What kind of a dog is that, my boy?"
Boy: "This is a police dog."
Pedestrian: "That doesn't look like a police dog."
Boy: "Nope, it's in the secret service."

NEW SOCIETY IS EXPANDING

Common Wealth Organization Plans to Bridge Gap in Economic Systems

Enlargement of the membership of the newly-organized Common Wealth Society, with a view to securing a balanced economic unit which would provide the membership with those goods and labor needed by the individual without payment by cash, was discussed at last night's meeting of the organization, held in the Westhollow Hotel.

A membership committee was formed so that the membership could be widened in such a way that if a person had a surplus of produce, for instance, he could exchange it for the labor of a carpenter, or motor mechanic, who required those surplus products. Many new members were enrolled.

INDEPENDENCE AND FULL ENJOYMENT OF LIFE ON THE LAND AT

Braefoot Estates
Canada's finest planned suburban development of the historic Talmie Farm, located just 24 miles from Victoria City Hall. All city conveniences for you and your family.

Every city tract is a model of layout and convenience, providing in its contour an ideal building site, with rich deep soil of amazing fertility to insure its continual prosperity under the Braefoot plan of operation.

Constant supervision and guidance by experts in charge of Model Demonstration Farm make for success under the Braefoot plan of operation.

Here you may build up a permanent independence for yourself and your family. A guaranteed cash market is provided for every settler in Braefoot Estates as arranged with David Spencer, Limited, Victoria's pioneer department store.

Every city convenience is at hand, including electric light, telephone, mail delivery, paved roads, churches, schools, recreation and playgrounds, etc.

Ordnance and Ammunition (except of the white race) can neither buy, lease nor occupy.

Don't you may buy this land, with all its advantages of climate and location, under the Braefoot Plan, at most reasonable prices, with 25% cash and the balance in small monthly payments—interest, 6%.

Come in and let us show you the property and give you complete details.

F. W. MORTON IS TAKEN BY DEATH
Seventy-Four-Year-Old Resident Passes in Hospital—Funeral Tomorrow

Frederick William Morton, aged seventy-four years, passed away yesterday in the Royal Jubilee Hospital. He had been a resident here for the past twenty years, latterly making his home at 2734 Forbes Street.

He is survived by his widow, at home; two brothers and two sisters in England.

The remains are resting at Sands Mortuary Chapel, where services will be conducted Friday at 2 o'clock. Rev. P. W. Weaver officiating. The remains will be laid at rest in Royal Oak Burial Park.

LAST RITES TODAY
The funeral of Mrs. Alice Elizabeth Blackett, who passed away Sunday, will take place this afternoon, at 3:30 o'clock, from the Sands Mortuary Chapel. Services will be conducted by the Society of Friends. The remains will be laid at rest in Royal Oak Burial Park.

C. EDWARDS IS CALLED TO REST
Casimir Edwards, aged forty-eight, a resident of Victoria for the past four years, passed away yesterday at St. Joseph's Hospital. He was born in Newfoundland and had lately resided at 1409 Douglas Street.

He is survived by his widow, Mrs. Emma Edwards, at home; one brother, Frederick, Vancouver; one sister, Mrs. B. Whiffen, Prince Rupert, and two brothers and one sister in Newfoundland.

The funeral will take place next Monday morning, the cortege leaving the Sands Mortuary Chapel at 8:30 o'clock, and ten minutes later Mass will be celebrated at St. Andrew's Cathedral by Rev. Father C. E. Evans. The remains will be laid at rest in Rose Bay Cemetery.

FOREST LOSSES AT LOW POINT

Damage Last Year Through
Fires in Woods Least in
Three Light Years

By the law of averages, British Columbia is in for a severe season of forest fire fighting. Total fires last year were 1,082, or the lowest in twelve years. Monetary loss was \$455,722, the least since 1928. A total of 301,486 acres were burned over, destroying timber estimated at 123,815,000 board feet, of which one-fifth may yet be recoverable. Sixty-five fires were "wild," and the remainder distributed among ordinary causes.

Such were the figures released yesterday by the Forest Branch of the Department of Lands. The record follows two other consecutive years of low fire loss, all pointing to the probability of greater damage this season.

IMPOT RESTORED
To meet the case, the Government has restored the forest protection fund, with \$300,000 to come from the provincial treasury, and \$100,000 additional in an impost of two and a half cents an acre on private timber holdings. In return for the impost, however, the Province undertakes to fight fire on private holdings.

Interesting comparison is af-

Night School Is Commended Upon Result of Work

W. H. BINNS, supervisor of the Victoria Night School, and the staff were congratulated in a resolution passed by the city school board last night.

Trustee P. E. George, in moving the motion of commendation, said that the classes this year had been quite outstanding, and the work that was displayed on the final night was a credit to the faculty and the student body.

Forced with the record of 1925, when the fire loss in British Columbia was \$2,747,196, with timber and other losses in proportion.

Band Concert Is Presented Here

A delightful band concert by the Salvation Army Boys' Band was presented in Centennial United Church last night under the auspices of the church Young People's Association. Rev. C. G. MacKenzie, pastor of the church, was chairman.

Besides the band, the following took part in the programme: Bandsmen W. Radcliff and T. Rankin, Miss Catherine Craig, Roger Per-

let and John Bray.

Theocracy, Not Democracy

(Series 2, Message No. 4)

Sir Stafford Cripps at Montreal on April 5, 1934, truly said that since 1914, the world had entered a new era. Russia and Italy had made their choice, similarly Great Britain and the United States had made their choice.

THE CHOICE OF CANADA, GREAT BRITAIN, AND THE UNITED STATES, WILL NOT AS ADJURED BY SIR STAFFORD CRIPPS, BE DEMOCRACY, BUT THAT WHICH IN ITS ESSENCE IS THE TRUE EXPRESSION OF CHRISTIAN SOCIALISM, VIZ: THEOCRACY, THE REIGN OF GOD.

DEMOCRACY'S DAY IS PAST.
The Celso-Saxon race (Israel), Canada in the forefront, fulfilling its Divine destiny as foretold in Ezekiel xxvi, is already on the march back to the Bible and obedience to God's laws.

March with the Celso-Saxon race.

Study the Bible—commencing with the Old Testament—and obey its precepts.

Learn from the Bible that the destruction of Communism, and real prosperity are coming only by individual and national obedience to God's laws, including both the moral laws and the Mosaic economic laws confirmed by Christ.

BIBLE SOCIETY LEADS CRUSADE

Rev. J. B. M. Armour, General Secretary, Reviews Christian Work

Describing the movement as the greatest crusade for world Christianity, Rev. J. B. M. Armour, M.A., general secretary for Canada of the British and Foreign Bible Society, at a meeting here last night, detailed some of the work being done by that organization, which has been in existence for 130 years, carrying the Word of God to almost every country in the world.

Mr. Armour, who is on a tour across Canada, in the interests of the society, spoke to the members and friends of the Victoria branch in St. Andrew's Presbyterian Church schoolroom. He was accompanied to Victoria by Rev. N. A. Harkness, B.A., B.D., district representative of the society at Vancouver, who also addressed the meeting.

AGE OF CRUSADES
The general secretary of the movement, declared that the world of today was living in an age of crusades and instances those of Russia, Italy and Germany. "All the world there are crusades of one kind or another. They are strange movements with strange appeals, but there is something more stupendous in this great crusade for world Christianity. Unless the church of today can see the Cross, it will be beaten by those other crusades," Mr. Armour declared.

Speaking of the actual work of the British and Foreign Bible Society, Mr. Armour pointed out what had been accomplished by some of the early missionaries through the translation of the Bible into foreign languages. He styled them crusading translators, who brought the message of God to human souls. "They were the soldiers in the army of Christ and today others are carrying on this great work. When a missionary spends weary months in a foreign land, translating day after day, it requires heroism and bravery to do a work like that. Mr. Armour mentioned that in Africa alone there had been 240 different translations of the Bible. Since its inception, the society, Mr. Armour stated, had sent out the word of God in 674 different forms of speech.

BIBLE DISTRIBUTION
The British and Foreign Bible Society, however, does not do the actual translating. This is left to the "civilized" missionaries of the various church organizations, but it supervises the revisions and, when printed, the books are sent out into the field to be sold at the lowest possible cost. Whatever is received for the books is sent to the society, which represents about one-third of the cost, the other two-thirds being borne by public contributions.

Mr. Armour stated that when employed about 1,100 persons distributing the Scripture and of this number there are thirty doing the work in Canada. Last year in Japan the society had the largest distribution in the history of that country. The distribution in India and China was also well maintained, he stated. Concerning Canada, Mr. Armour said that reports from representatives indicated there was an eagerness for the Scripture in many homes throughout the Dominion, and that there were outside the membership of the organized church.

WORLD-WIDE MOVEMENT
The British and Foreign Bible Society reaches out to every country in the world and the movement has been steadily growing in recent years. Millions of books have been distributed and placed in the hands of the people, the poorest and the wealthiest. Mr. Armour made a strong appeal for renewed interest in the organization in Canada, not from a financial standpoint, but from one of faithfulness.

The meeting was presided over by Rev. A. deB. Owen, of the reformed Episcopal Church here. Rev. N. A. Harkness read from the Scripture and hymns were sung, "Jesus Shall Reign" and "The Day Thou Gavest, Lord, Is Ended." Thanks to Mr. Armour and Mr. Harkness were expressed by Rev. H. P. S. Luttrell.

TRUCK DRIVERS ORGANIZE HERE

Signatures Obtained at Meeting Will Be Forwarded to Labor Congress of Canada

First steps toward forming a truck drivers' union in Victoria were completed last night, when fourteen signatures were obtained in a specially called meeting at Labor Union, which will be forwarded to Percy Bengough in Vancouver in order to make application for a charter to the Trades and Labor Congress of Canada.

The meeting was presided over by J. W. Casey, J. Wilson and W. H. Youill, all members of the organization committee appointed by the Victoria and District Trades and Labor Council for the purpose.

OFFERS ALTERNATIVE
Mr. Casey outlined the findings of the committee to the meeting, telling them that they could not form a local, affiliated with the International Teamsters' and Truck Drivers' Union under the American Federation of Labor, unless not less than seventy-five signatures were obtained.

—This was impossible at the present time, he offered them the alternative of applying for a charter to form a local of the Truck Drivers' and Coach Haulers' Union, responsible to the Trades and Labor Congress of Canada.

TEACHES FELLOWSHIP
W. H. Youill, in speaking to the assembled truckmen, urged them to take the advice of Mr. Casey, stating that in a number of years of close association with trade unionism, he had found that it taught brotherly feeling not found in any other strata of society.

"You cannot be any worse off than you are now, and organized you will have the respect of workers and employers alike," Mr. Youill declared. The man who works has just as much right to belong

to an organization as a member of the strongest body in the world—the lawyers."

BISHOP MURRAY BEING HONORED

Many Functions Are Being Held for Head of Roman Catholic Diocese

Bishop Gerald Murray, who will leave Victoria at the end of the present week to take up his new duties in Saskatoon, has been the guest of honor at a number of public and parish functions in Vancouver and the Capital City since his arrival here.

On Tuesday, he was the guest at a reception in Vancouver, given by Archbishop W. M. Duke at the Hotel Vancouver, at which more than 1,000 guests were present.

At 8 o'clock last night Bishop Murray and members of his clergy were guests at luncheon arranged by the Sisters of St. Joseph's Hospital. Later in the afternoon the bishop's party attended a farewell concert given by the pupils of St. Ann's Academy. An address to the bishop was read by Miss Kathleen Burns.

At 4 o'clock yesterday afternoon, the bishop visited Ross Bay Cemetery and blessed a monument erected to the memory of Msgr. J. J. Latimer, who died in Victoria two years ago.

A large gathering of the British Columbia Catholic hierarchy and members of his clergy were guests at luncheon arranged by the Sisters of St. Joseph's Hospital. Later in the afternoon the bishop's party attended a farewell concert given by the pupils of St. Ann's Academy.

An address to the bishop was read by Miss Kathleen Burns.

Sixty-Six Create Class to Study Japanese Tongue

SIXTY-SIX persons have joined the class to study the Japanese language under the tutelage of H. B. Suzuki, the city school board was informed at its meeting last night. The class meets in the Boys' Central School twice a week.

Certificates of proficiency will be given all those who attain 60 per cent or over in their examinations, while those obtaining 90 per cent or over may be given free trips to Japan. This latter is purely tentative, and more definite details will be made available later.

SCHOOL COSTS ARE LOWERED
Expenses During March Are \$2,000 Less Than Corresponding Month of 1933

School board expenditures for the month of March were \$2,023 less than those during the corresponding month of last year, it was revealed in the finance committee's report to the trustees last night.

The expenditures amounted to \$3,844 as compared with \$5,867 in 1933, which was a reduction from the 1932 figure.

Attendance figures showed that of a total enrollment in city schools there was an average attendance during the month of 5,175.66 pupils. The night school figures were: Enrollment, 793; average attendance, 507.06 pupils.

School nurses examined 4,027 students during the month, and made 139 home visits.

REPORTS DENIED BY POLICE BODY
Saanchi Commission Says New Stories "Misleading," but No Blame on Papers

The reports, setting forth that various ward associations in Saanchi had endorsed suggestions advanced favoring Provincial Police patrol of the municipality, were denied in a resolution by the Saanchi Police Board, last night.

No blame was attached to the newspapers, but an official report stated, in part, "no blame is attached to the public press, as the information was apparently supplied by the person or persons under misapprehension."

The complete statement issued by Reeve William Crouch, chairman of the police board, follows:

OFFICIAL STATEMENT
"This police commission has read the public press reports of meetings held in Wards Two, Four and Seven, and would point out that the accounts appearing in the public press have been absolutely misleading."

The commission places no blame on the public press, as the information was apparently supplied by the person or persons under misapprehension."

"The facts in connection with the meetings held in Wards Two, Four and Seven are as follows: In Ward Two, the question was referred to the police commission with the request that the matter be given serious consideration; in Ward Four, the same action was taken, and in Ward Seven, the matter was referred to the council for its consideration."

CONSPIRACY CHARGED
The citation said Cutten "conspired and colluded" with firms and persons on the Chicago Board of Trade, "to conceal his trading and position in the market," and to so "make inaccurate, incorrect and false reports of his position in the market."

During 1930 and 1931, the complaint declared, Cutten sold wheat futures in excess of 100,000,000 bushels. It said, during 1930, he sold wheat futures short in excess of 37,000,000 bushels, and in 1931 he sold short in excess of 36,000,000 bushels.

"In the year 1930, during the time he had an open position in the market, he was short 79 per cent of the time; and in the year 1931, during the time he had an open position in the market, he was short 89 per cent of the time," the complaint said.

POSITION NOT REPORTED
His maximum short positions were described as "752,000 bushels on June 24, 1930, and 6,770,000 bushels on April 10, 1931, none of which were reported to the Administration."

The citation said that Cutten, in order to cover up his transactions, "caused and procured various grain firms and persons by and through whom his trades on the Board of Trade were made, to keep false records and to make false reports to the Grain Futures Administration."

SPECULATOR IS CHARGED

Arthur W. Cutten Accused of Failing to Report Short Wheat Selling

WASHINGTON, April 11 (AP).—Arthur W. Cutten, a native of Queip, Ont., was charged today by Henry Wallace, United States Secretary of Agriculture, with failure to file reports of short sales and making false reports to the Grain Futures Administration, to manipulate grain prices.

The secretary cited the Chicago grain trader to appear May 5 for a hearing, Chicago, Seth Thomas, solicitor for the Department of Agriculture, said if the charges were substantiated, an order would be issued directing all contract markets to refuse trading privileges to Cutten.

CONSPIRACY CHARGED
The citation said Cutten "conspired and colluded" with firms and persons on the Chicago Board of Trade, "to conceal his trading and position in the market," and to so "make inaccurate, incorrect and false reports of his position in the market."

During 1930 and 1931, the complaint declared, Cutten sold wheat futures in excess of 100,000,000 bushels. It said, during 1930, he sold wheat futures short in excess of 37,000,000 bushels, and in 1931 he sold short in excess of 36,000,000 bushels.

"In the year 1930, during the time he had an open position in the market, he was short 79 per cent of the time; and in the year 1931, during the time he had an open position in the market, he was short 89 per cent of the time," the complaint said.

POSITION NOT REPORTED
His maximum short positions were described as "752,000 bushels on June 24, 1930, and 6,770,000 bushels on April 10, 1931, none of which were reported to the Administration."

The citation said that Cutten, in order to cover up his transactions, "caused and procured various grain firms and persons by and through whom his trades on the Board of Trade were made, to keep false records and to make false reports to the Grain Futures Administration."

PROVINCIAL POLICE PROPOSAL OPPOSED

Continued from Page 1

as a municipal police commission if the Police Board and Harry can go to different police departments and get estimates on the cost of patrolling any municipality," asked Commissioner Goddard.

Reports had been current in the municipality that a saving of more than \$7,000 could be made if the Police Board took over care of Saanchi. It was alleged that Mr. Wilkinson had presented the estimates from public platforms and uncorroborated comment had been made against the police commission.

"HALL THE STORY"
"The trouble is that they only presented half the story," declared Commissioner Goddard. "I wish he were tonight so I could tell him so, too," he continued.

In the figures submitted by Mr. Wilkinson, it had been reported that a saving would have been made in salaries of officers of about \$1,000. However, Reeve William Crouch pointed out that the Provincial Police estimate was for three officers, while at present, Saanchi had five men. If Saanchi were patrolled by three men, the Provincial Police salary estimates would be \$1,000 more than the municipal force cost, stated the Reeve.

"I don't see how we can patrol fifty-five square miles of territory and handle 14,000 residents with three policemen," stated Commissioner A. E. Scalf.

FREE FROM VICE
"We have a cosmopolitan population and I want to know what municipality is as free from vice as Saanchi," interjected Commissioner Goddard.

"The point is whether or not this means a lower cost to the municipality," declared Reeve Crouch. "Personally, I can't see it."

He was supported by both Commissioner Goddard and George McWilliams, Jr., were a delegation from Ward Four Ratepayers' Association, but did not speak. They pointed out that they had not come to speak, but to judge for themselves the feasibility of the scheme.

"I wouldn't like to see the Provincials here, because it would be right to mix up party politics in the administration of law and order," declared Reeve Crouch.

Further discussion took place and the following official statement was issued to newspapers and will be sent to all ratepayers' organizations for their perusal:

OFFICIAL STATEMENT
This commission has given serious consideration to the question of Provincial Police in Saanchi. In the opinion of this commission, the inaugurating of Provincial Police in Saanchi is not desirable, as:

1.—The agreement between the commission and the municipality is only from year to year.

2.—There is no guarantee as to cost, as all officers and constables are subject to the absolute control of the commissioner, who has the right of employing any number of men in his absolute discretion.

3.—The duties of the police under the provincial system are very strictly defined and this strict definition is not in the opinion of the Saanchi Police Commission, desirable.

4.—Provision is made in the agreement that the municipality must provide a lock-up, police magistrate and officials connected with the court. (This apparently also means the employment of a prosecutor.)

METROPOLITAN FORCE
"As a contra to the proposal that the Provincial Police be requested to take over Saanchi Municipality, this police commission would suggest that consideration be given to the disbanded of the existing Provincial Police and a further extension of the duties of the Mounted Police be inaugurated in the Province of British Columbia.

"This commission is informed that practically all narcotic and are at present investigated and prosecuted by the Mounted Police and as crimes of this nature are of necessity very difficult to handle, it would seem that the services of men competent to act in these cases might be highly desirable in all other cases."

NO SAVING
"As to the figure of \$7,772.35 submitted. This commission would point out that the estimate of the Provincial Police is not official. It provides for three men only, omits many items and gives certain figures over which no department has any control whatsoever. The item of \$7,772.35 is arrived at by omitting any estimate for the salary of the magistrate; by setting stenographer service at \$100; by omitting insurance on motorcycles; by cutting down inquest and inquiries to \$150; making no provision for ambulance service; cutting down the amount for telegrams and telephones; making no provision for keep of prisoners."

"All of the above-mentioned items are either absolutely necessary or items of such nature that no one can estimate or control. When it is suggested that there be no ambulance service, comment is unnecessary."

COMPARISON MADE
"The police commission know it is an impossibility to police Saanchi adequately with three men. In Oak

Bay Municipality they have four men and a chief, the same as Saanchi. Their estimates this year are about \$500 lower than Saanchi owing to the fact that they did not buy a new motorcycle this year, while Saanchi has bought two motorcycles and a new motorcycle out of its estimates for the year.

This means that Oak Bay, with half the population of Saanchi, and one-tenth the area, spends as much or a shade more than Saanchi Municipality on its police force. This shows the efficiency and the economy practised by the Saanchi force and police commission."

Inspection Tour Of Cemetery to Be Made Shortly
The Royal Oak Burial Park board of trustees decided at last night's meeting to conduct their annual tour of the cemetery with a view to deciding upon the improvements to be carried out this year.

Already considerable work has been done on regrading a new section, which should be ready for seeding early in June. The trustees will make the tour of inspection at 10:30 a.m. on Thursday, April 19. After the tour, the trustees will decide upon the improvements that are to be made.

WAK DEBTS ISSUE

In Washington the reaction to Britain's bud-
get surplus is that the country is now in a position
to pay her war debts to the United States in full.
A message from President Roosevelt to Congress on
the subject of war debts is expected shortly. The forecast is that it will recommend
a new funding agreement with Britain, the only
country which has paid its full war debt instal-
ments up to date, and that similar funding agree-
ments will be offered to other nations as an
inducement to them to pay up their arrears.
Finland has been able to pay because its entire
war debt is only about a twentieth part of the
semi-annual payment which any one of the major
nations is called upon to meet.

In discussing war debts the point should be
kept well to the fore that Britain has never
pleaded inability to pay. What she has sought is
a readjustment because of the disastrous influ-
ence of those debts on debtors and creditors alike.
The United States expected Great Britain to
go on paying war debt instalments and at the
same time continuing to make large purchases
of American goods. This attitude has led to a
rapid falling off in American trade which has
suffered proportionately perhaps more than the
trade of any other nation. It will not help mat-
ters if, because of the British budget surplus,
there is a new insistence on the settlement of war
debts in full. The argument for their revision
remains as strong as it ever was, perhaps
stronger in view of the evidences of recovery in
world trade now being recorded. Efforts to col-
lect war debts might have an appreciable effect
in setting back the hands of the clock of progress.

FREE STATE FINANCES

The price that the Irish Free State pays for
the independence it enjoys is a heavy one. In
1914 the cost of administration throughout all
Ireland was \$14,000,000. Today the Free State
alone costs \$35,000,000. It used to be an argu-
ment preferred by the Irish Nationalists that
when they were under British rule they were too
heavily taxed. As a matter of fact, tax collec-
tions, when Britain was in control in Ireland,
were \$12,000,000 in 1914, whereas the cost of gov-
ernment was \$14,000,000 so that the taxpayers of
Great Britain were contributing \$2,000,000 to-
wards Irish government. It appears, therefore,
that in the matter of taxation, where Britain
chastised with whips, Mr. de Valera is chastising
with scorpions.

Undoubtedly, as the Irish Times says, con-
ditions have changed, but it is noted that the
principal cause of increased expenditure has been
these very services which the Irish Free State is
imposing on a state which cannot afford to pay for
them. The Free State cannot afford the social
services which obtain in Britain and Northern
Ireland. The realm ruled over by Mr. de Valera
is impoverished because of the futile economic
war with Britain. In the Free State, too, the
limit of taxation has been reached. It is doubt-
ful if the country can borrow much more. This
all goes to show how the good fortunes of the
Free State are bound up with friendship with
Britain.

MR. PATULLO'S MANIFESTO

Mr. Patullo's manifesto of last week is not a
highly convincing document. There is, it is true,
some evocative language in it. The wealth of
British Columbia is "boundless and diversified."
He looks forward with commendable optimism to
a "future prosperity far beyond anything which
we have heretofore enjoyed." He deplores, in
a manner which must cause extreme mental
anguish to a good Liberal like Mr. Mackenzie
King, the "fatuous futility" of certain "worn out"
democratic methods. He employs a truly remark-
able metaphor in their propaganda "finds fertile
soil" in an "atmosphere" of weakened morale.
The substance of his long address, however,
might have been expressed in half-a-dozen sen-
tences. It contains a hard-luck story, several
excuses and complaints, an appeal for help to
combat or counteract revolutionary propaganda,
a request for financial assistance from the Dom-
inion Government, a promise for co-operation,
a brief digression on political philosophy, and a
solemn warning.

The province, says Mr. Patullo, though it is
rich in natural resources, cannot balance its
budget, partly because of the depression, partly
because of the costly relief measures, and partly
on account of the P.G.E. This railway should be
taken over by the C.N.R. system, and this would
make amends for the failure of the G.T.P. to
keep to its agreement with British Columbia re-
garding the routing of traffic. The Province
asks the Dominion for a loan, not as a favor, but
as a right, because the Dominion "controls credit
and currency," and because disintegrating and
revolutionary doctrine is actively taught in this
province. Moreover, it would be an offset to the
unfair treatment British Columbia has received
under the terms of Confederation and in discrim-
inating freight rates. Mr. Patullo urges the Dom-
inion to undertake public enterprises on "the
national credit." Finally, the Dominion Govern-
ment is warned not to disallow the S.P.A., be-
cause such action would prove "disruptive" and
create a situation that "a generation could not
overcome."

The Colonist does not wish to add to Mr.
Patullo's difficulties, and no doubt if, on the
basis of Mr. Patullo's contentions, or for any
other reason, the Dominion Government can be
induced to relieve us of the burden of the P.G.E.,
that would be good business for the Province.
It is to be hoped that Mr. Patullo may be able
to obtain financial assistance at Ottawa. In sup-
port of his plea for assistance, however, he has,
unfortunately, chosen to set forth some highly
questionable economic doctrine. He believes, for
example, that the Dominion Government con-

trois "credit" as well as currency. Mr. Bennett
will be likely to reply that the control of credit
rests finally upon those who lend their money,
that is, deposit it in the banks. They would not
lend it to the banks unless they were sure of 21-
per cent upon their deposits. The banks recog-
nize this as an essential part of the transaction,
a feature which makes it necessary for the
banks to extend credit only on adequate security
and to refuse it otherwise. If they failed in this
respect they would not be able to attract de-
posits and they would have to go out of busi-
ness. In the matter of extending or restricting
credit they are but the agents of depositors. The
latter supply the funds and naturally exercise
the right to call the tune.

As for the suggestion that the national credit
should be used to carry on new and extensive
public enterprises, have not all Governments in
Canada, provincial and Federal, had enough
unhappy experience with "national" enterprises
to last them for a decade or two at least?

NOISY MOTOR CARS

There is little public demand for suppression
of noise in motor cars but there is no doubt that
people as a whole, both drivers and pedestrians,
would appreciate a lessening of what is one of
the greatest irritations of modern civilization.
Noise in motor cars has many origins. It may
arise from reciprocating, unbalanced or defective
and badly-aligned parts of the engine; it may
come from gears, intakes and exhausts; from the
motion of the tires on the ground and of the car
body through turbulent air. It can be amplified,
say Engineering, by resonant drumming of the
car, or of its body. Engineering admits that
progress towards a process of silencing can only
be made in steps.

The increase of engine-speed has accentuated
the problem of noise. One thing wanted is bet-
ter engine balance to help in eliminating vibra-
tions. It is claimed that the air-borne noise
emitted by valve tappets can be reduced by en-
closing such parts, reducing clearances and
adopting quiet cam curves. Engineering says
that "an increase of the number of cylinders
promotes smoother working, and the communica-
tion of residual vibration to the car body can
be minimized by exercising discrimination in the
mounting." By the latter is meant the mount-
ing of the engine upon springs supports such as
rubber, "so designed that the natural frequency
of oscillation of the engine upon its mounting is
low in comparison with the motor speed." Gear
noises can be reduced "by the use of accurately
cut and finished gearing of a type in which
meshing is practically continuous." In Britain
there is a good deal of research work going on
to ascertain what can be done towards reducing
the noises made by motor cars and much progress
has been reported.

The grave danger of smallpox becoming
epidemic in this province due to its close contact
with the Orient is emphasized in the April bul-
letin of the Provincial Board of Health. It is
pointed out that there have been thirteen cases
during the past thirteen months, nine of which
came from incoming vessels and were discovered
at the Federal Quarantine Station at William
Head, and four cases in and around Victoria.
They were all cases of a virulent type of
haemorrhagic smallpox, resulting in the alarm-
ing mortality of six out of the thirteen, or nearly
50 per cent. The sudden death from this ghastly
disease of a local citizen gives added significance
to the warning of the provincial authorities who
earnestly urge upon citizens the protection of
vaccination.

It is graceful in a man to think and to speak with
propriety, to act with deliberation, and in every oc-
currence in life to find out and persevere in the truth.
On the other hand, to be imposed upon, to mistake,
to falter, and to be deceived, is as ungraceful as to rave
or to be insane.—Cicero.

Keep unscathed the good name; keep out of peril
the honor; without which even your battered old
soldier who is hobbling into his grave on half-pay and
a wooden leg would not change with Achilles.—Bul-
wer-Lytton.

The Weather

Meteorological Office, Victoria, B.C., at 8 p.m.
April 11, 1934.

SYNOPSIS
The barometer is falling on the Coast and warmer
weather prevails over this province. Fine weather
with light frosts is reported in the Prairies.
Juan de Fuca to Estevan—Moderate to fresh north
and west winds, partly cloudy, and mild.

Reports on Session To His Constituents Keeping His Promise

Hugh Savage Criticizes Government for Waste of Time and Money—Sees Tremendous Need for Individual Honesty of Purpose

LADYSMITH, April 10.—Hugh Savage, Member for Cowichan-Newcastle, addressed a meeting of about fifty of the electors in the Band Hall, this evening. T. Collinge was chairman of the gathering, and he remarked that in a quarter of a century of experience in British Columbia, he found Mr. Savage's procedure of coming before his constituents at the end of a Legislature's session, something unique. It was a precedent, he was sure, the audience would thoroughly appreciate.

Mr. Savage said he was fulfilling a pre-election promise, and he believed these should be kept whenever possible. He did not care what political affiliation his hearers had, he felt he owed them an account of his impressions and endeavors in the House in Victoria.

MUCH WASTED TIME
The past sessions, as sessions go, had proved a very busy one. The debate on the Speech from the Throne had lasted two weeks, on Mr. Pattullo's suggestion that the many new members in the House ought to have the opportunity of being heard. Personally he felt that this was more or less of a ploy to allow the Government to have the impending legislation hammered into presentable shape. Much of the debate was wasted time, with the result that the final weeks of the session saw a total of eighty-one bills presented and passed in a series of morning, afternoon and evening sittings.

It was impossible to pass such a number of bills and accord them proper consideration. Much of the legislation was unimportant, but there were instances where the hurry had already caused repercussions. Local legislation affecting a timber holding in the Merritt district had caused an Indian outbreak there, and the people of that district were asking that Premier Pattullo use his special powers to have the situation remedied.

The outstanding feature of the whole session was, of course, the Special Powers Act.

DIFFICULT TO FORECAST
Mr. Savage quoted some of the Premier's generalizations concerning the possible operations of these special powers, but commented that authority given under this legislation was dependent upon so many extraneous considerations, it was difficult to forecast how the plan would work. The Dominion Government at Ottawa probably had the making of oration of its success.

The speaker pointed out that despite the necessity for the most rigid economy in the affairs of the Province, the administration had apparently failed to appreciate the urgency of the situation, with forty-eight members of the Legislature sent home by the S.P.A. left them nothing to do, the Government was busy creating committees and commissions to cover certain phases of departmental activities.

ROOM FOR REDUCTION
These committees cost money. So did the elected members, and it seemed as if there was room for some reduction in expenses in these aspects of administration.

The Government had frankly declared it would overspend to the extent of seven and a half million dollars on the 1934 budget, and this was a rather terrible example for the highest form of organization in the province to set before the people. It was small wonder that municipalities were already shaping along similar lines. There seemed longer to be a moral as well as an economic obligation for governments to meet their bills.

At this point a member of the audience demanded: "Where did John Hart find that million dollars he found the other day?"

Mr. Savage confessed himself unable to answer the query definitely, unless, as suggested by another of the audience, it was money that might have gone to Provincial sinking funds.

"Do you think the suggestion for refunding at lower interest rates, without strictest economy, will eventually lead to repudiation?" was another question.

The speaker pointed out that it was impossible to state what actual steps would be taken, and it would be idle to indulge in hypothetical results. He believed, however, if everyone were patriotic enough to be content, as it were, to get by only until the crisis was over and the country was out of debt, it would be a great thing for the country and for the population. There were many avenues of waste, and parsimony was one of them. He had mentioned in the House about a road foreman in this district being displaced to make place for a Liberal, and he was opposed to such a petty system.

A member of the local C.C.F. Club asked if Mr. Savage was really sincere.

NOTED BRITISH ACTOR PASSES

Sir Gerald du Maurier Dead at London After Brief Illness

LONDON, April 11 (CP).—As actor, producer and manager, one of the outstanding personalities in the English theatrical world, Sir Gerald du Maurier died today following an operation in a nursing home.

His sudden death came as a great shock, for although he had entered the hospital earlier this month, his progress had been regarded as satisfactory. He was sixty-one years of age.

Sir Gerald came of artistic stock. His father, George du Maurier, was a famous artist with Punch and the author of "Trilby." It was just about the time the latter created a sensation when Gerald left Harrow to appear at the Garrick Theatre.

VALUABLE ASSOCIATIONS
Valuable association with Sir John Forbes-Robertson and Gertrude Trefle followed.

Old theatregoers remember his creation of the part of "Raffles." Sir Gerald in later years proved himself as adept at producing and managing as acting, while only three years ago he scored a great motion-picture success with "Raffles."

To his many distinctions might be added his discovery of the celebrated actress Gladys Cooper.

BORN AT HAMPSHIRE
Sir Gerald was born at Hampshire, England, March 26, 1872. At twenty-one Sir Gerald made his first stage appearance at the Garrick Theatre in the play, "The Old Jew."

He went to North America in 1896, playing in "The Dancing Girl," "Hamlet," "The Seats of the Mighty," "The Red Lamp," "Trilby" and "King Henry IV."

One of his big successes was scored at the Hicks Theatre, in May, 1907, when he appeared as Montgomery Brewster, in "Brewster's Millions."

He became associated with Frank Curzon in the management of Wyndham's Theatre and opened in September, 1910, as John Frampton, in "Nobody's Daughter."

CADET IN IRISH GUARDS
Sir Gerald interrupted his brilliant theatrical career in 1918, when he joined the army as a cadet in the Irish Guards. He did not reappear on the stage until September 8, 1919, as John Ingelby Cordwain, in "The Choice," at Wyndham's Theatre.

He terminated his managerial association with Wyndham's after fifteen years and went to St. James' Theatre, where he became associated with Gilbert Miller in 1925.

He appeared there as Lord Arthur Dillin, in "The Last of Mrs. Heyes." The play ran for more than a year. Sir Gerald and Miller ended their association in 1929.

He received the honor of knighthood in the New Year's honors of 1922.

He was author of "A Royal Rival" and part author, with his brother Guy, of "Charles I and II" and of "The Dancers."

Mrs. Henry James, Marigold Resident, Is Called to Rest

The death occurred yesterday afternoon at the family residence, 78 Jasmine Avenue, Marigold, of Mrs. Louisa Jane James, aged seventy years. She was born in South Wales, and had been a resident of Marigold for the last eight years, and a former resident of Cassidy Station, V.I.

Deceased was the wife of Henry James, and is survived by, besides her husband, two sons and one daughter, Mrs. F. C. Alexander, at home; a son in Seattle and a son in Coleman, Alberta; also three grandchildren.

The remains are at Carter's Funeral Home and funeral arrangements will be announced later.

MANY AT SERVICE
Funeral services were held yesterday afternoon, at 3:30 o'clock, for Fumie Rose Kuwabara, who passed away at her home, 748 Pembroke Street, on Saturday evening. Relatives and an unusually large gathering of friends, including schoolmates from the Victoria High School, were present at the impressive service conducted by Rev. Kawasaki. The casket was covered and surrounded by many beautiful floral designs, which belated the popularity of the deceased. The remains will be forwarded this afternoon to Seattle, for cremation.

Plans to Make Stratosphere Flight

Dr. Jean Piccard, twin brother of Auguste, Belgian scientist and famous stratosphere balloonist, is out after his brother's laurels, and the record established by the Soviet balloonists last Summer. Jean Piccard, along with his wife, will attempt a stratosphere flight from Detroit this Summer. Dr. and Mrs. Piccard are shown above. In centre is shown a typical stratosphere balloon after the type to be used by Piccard.

TRAVELER HAS GREAT CHOICE

Two Hundred Different Itineraries Prepared by Canadian Railway Officials

MONTREAL, April 11.—The independent globe-trotter, traveling with a ticket good for two years and an itinerary derived from a vast number of diverse routes covering almost any part of the world, outside the North and South Poles, has become a characteristic of modern travel as the business man who now personally visits far-flung markets or the vacationist who hops over to Europe for his Summer vacation.

The importance of this comparatively new figure in the travel world has grown in leaps and bounds during the past few years, so much so in fact that two hundred different itineraries for circling the globe within any period from three months to two years have been prepared by the Canadian Pacific, to suit many varying demands, it is stated by officials.

PROVIDE ITINERARIES
Scheduled sailings of liners of the Royal Dutch Mail, the P. & O.

Canadian-Australasian Line, Java-China-Japan Line and a variety of other services are combined with the Canadian Pacific's services on the Atlantic and the Pacific and the trans-Canada rail route in providing itineraries, which are arranged for both seaboard and westbound travel, and prolonged visits in romantic and seldom-visited spots such as Bali, the Celebes and the islands of the South Seas can be included with the more commonly visited ports of Asia, Africa, Europe and Australia.

A feature of the system is the different combinations of ocean routes that can be arranged, allowing the traveler to take a first-class passage on one ocean, cabin on a second and tourist on a third, to travel in one class throughout, or otherwise vary his arrangements according to means, meeting many different types of interesting people of every strata in all classes aboard the steamers the world over, and in the ports and cities of the four corners of the globe.

CLAIM TALLEST TREE
CHEHALIS, Wash., April 10 (UP).—Chehalis and Lewis County claim the tallest tree in the world—a Douglas fir located southwest of Wildwood that is 342.4 feet high.

FUNERAL IS HELD
The funeral of the late Gwem Kwee took place yesterday morning and interment was made in the Chinese Cemetery.

SAYS BOYCOTT WAS CAUSE OF ASSAULT MADE

Leaflet Produced in Court to Show Chinese Factions Were at War

THREE ACCUSED ARE RESERVING DEFENCE

At the preliminary hearing of the charges against Bung B. GONG, Ding Van Jung and Yip Sing, which was held in the city police court, yesterday morning, allusion was made to an alleged boycott which was held to be existent among rival factions in the Chinese settlements in this province. The suggestion was made that this had to do with the trouble that arose. The accused are charged with having "with intent to malign, did wound Fong Chan Tan."

All the evidence was presented by the prosecution in the case, after which W. C. Moresby, K.C. made the announcement that he would not call any evidence for the defence at the preliminary hearing, but would reserve his defence for the higher court. He asked that the formal order for the granting of bail should not be made until today in order that he might be able to make the arrangements in the preliminary hearing, but the granting of bail pending the hearing of the charges. An adjournment was granted until this morning accordingly. C. L. Harrison, city prosecutor, conducted the prosecution, assisted by Frank Higgins, K.C.

BOYCOTT ALLEGED
In the evidence given yesterday by the complainant in the case, Ding Van Jung, one of the accused was alleged to have said: "You know we have been boycotting Yee Lun and you are still buying there. The threat he said was held out that if he continued to disobey, 'I beat dead, you.'"

A Chinese leaflet was produced and a translation offered to the court made by Y. C. Leong, court interpreter in Vancouver. The leaflet was headed "Manifesto of Propaganda Department." It opened with the following: "Since we asserted our just cause which has brought up disputes with our adversaries, they are not only unconscious of repenting and retreating at all, but they are further aggravating the situation, indulging in ferociousness and repeatedly continuing to oppress us. So we are under such conditions as to have no choice but to resort to force."

The leaflet continues to set out the protest of many. The admonition is made that on the receipt of the leaflet, the recipient should seek to "vindicate our just cause" and so "execute our boycott." The list of boycotted is set out consisting of four in Victoria and one in Vancouver. In each of these in the translation only a part of the name is given.

RECTOR WILL TEACH
QUEBEC, B.C., April 10 (CP).—Rev. A. E. Munn, after two years' service as rector of St. John's Anglican Church here, has joined the staff of the Anglican School in Lytton.

TO LEND POLICE MOTION PICTURES

Automobile Club Assists City Department in Campaign to Teach Safety Rules

Motion pictures, studies in safety first for pedestrians and motorists, will be purchased by the Victoria Automobile Club and turned over to city police to demonstrate in schools of Greater Victoria. This action was decided yesterday at a meeting of Victoria Automobile Club directors.

Complaints that the view from the Malahat is becoming obscured by the growth of young trees, were heard at the board meeting. Owners of the property will be requested to cut the tops of the trees in the interests of motorists and tourists.

Henceforth, auto club members will periodically receive a bulletin of motor topics and other items of interest. T. J. Goodlake, acting secretary, advised the board.

THE WHITES MAKE THEIR COFFEE BUDGET—BUY EXTRA FLAVOR

I FEEL EXTRAVAGANT GOING OUT FOR LUNCH

OH, THE CLUB DOESN'T CHARGE MUCH AND THEY SERVE WONDERFUL FOOD

I OFTEN GET GRAND FOOD SUGGESTIONS FROM THESE WOMEN'S CLUB LUNCHEONS

MY SISTER'S ON THE LUNCHEON COMMITTEE. SHE SAYS THEY SERVE CHASE & SANBORN'S COFFEE

WE'RE NEARLY OUT OF COFFEE. LET'S STOP ON THE WAY HOME AND SEE IF MY GROCER HAS CHASE & SANBORN'S

DELICIOUS COFFEE! WONDER WHAT KIND IT IS?

THIS COFFEE IS GOOD AND RICH. BEST WE'VE HAD!

WE'LL HAVE IT FROM NOW ON. IT CERTAINLY GIVES US LOTS MORE FLAVOR FOR OUR MONEY

WHEN you buy Chase & Sanborn's, you actually get more coffee enjoyment for every penny you spend. Because we buy fine coffee beans in large quantities, we can sell Chase & Sanborn's Coffee at a reasonable price. And it is richer in flavor because it is rushed fresh to your grocer. This blend of the world's finest coffee beans has been Canada's favorite for more than fifty years. And no wonder—when every penny buys you such delicious, rich flavor. Packed in half-pound and one-pound vacuum tins. Try some—start getting extra enjoyment for every cent you spend.

I'M CHANGING TO CHASE & SANBORN'S. IS IT EXPENSIVE?

IF YOU WANT BETTER VALUE FOR YOUR MONEY, THIS IS YOUR COFFEE! I GET IT BY A SPECIAL QUICK DELIVERY SYSTEM—NO FLAVOR LOST

TRIBUTE PAID BISHOP MURRAY

Roman Catholic Diocese
Head Guest of Honor at
Esquimalt Gathering

Representatives of the clergy, municipality of Esquimalt, navy and army and 150 members of Queen of Peace War Memorial Church gathered in the church hall at a banquet last night and paid their tribute to Bishop Murray. Bishop Murray, who is now in residence in the building of the Esquimalt Diocese, will be installed on Wednesday.

Five tributes were paid to Bishop Murray, all expressing thanks for his extensive services here. Rev. Alex Lockie, on behalf of Esquimalt Municipality, told how keenly the entire municipality felt over the need for the bishop to leave. Turning to Bishop Murray, he continued:

"You are going away with the sincere prayer of those outside your church as well as those within."

WAR MEMORIAL CHURCH
Bishop Murray did much for the young people during his residence here, the speaker pointed out, and went on to speak highly of the bishop's efforts in the building of the Queen of Peace War Memorial Church.

Rev. Father A. B. Wood, priest of Esquimalt parish, declared Bishop Murray for nearly four years was a real father to the district. He added that in the bishop's absence the thought of him would linger in the hearts of every member of the parish.

Speaking on behalf of the parishioners, Major A. Mulvihy thanked the bishop and wished him success and happiness. He then presented him with a church donation.

Commander W. J. Beech, R.C.N., for the Royal Canadian Navy, and Major-General E. C. Ash-ton, C.M.G., V.D., on behalf of the Canadian army, also spoke of the bishop's efforts in the building of the Queen of Peace War Memorial Church, and wished him Godspeed.

PRaises FATHER WOOD
In response, Bishop Murray answered first in a light vein, then reversed the order of the night by praising the work of Father Wood.

"No matter where I go, I will always remember the priests and people," he added. "As you have promised to follow me in your prayers, I will dedicate a certain hour each morning to ask blessings in your behalf, and to assist you in completing the building of your church," the speaker concluded.

During the evening a musical programme was presented, in which the church choir and following persons took part: Miss K. Allen, Miss Louise Dugan, Miss Patricia Comerford and Alan Hargreaves.

CONVICTED OF MURDER
EL RENO, Okla., April 11 (AP).—A jury tonight found Virgil Brown, Shawnee Great War veteran, of the murder last October 17 of his sweet bride, the former Mrs. Marie E. Brown, of Windsor, Ont., and fixed the penalty at life imprisonment.

SHE ATE ALL-BRAN
TWELVE YEARS WITH FINE RESULTS

Delicious Cereal Relieves Constipation

Read this very enthusiastic letter:

"Something like eleven or twelve years ago, I began eating Kellogg's All-Brans. When I started, it was called simply Kellogg's Bran, and I believe it was one of the first products of the kind on the market."

"My friends often laugh at my fondness for ALL-BRAN. It gives such a clean taste in the mouth, and I do not feel satisfied until I have had my ALL-BRAN."

"If the Kellogg Company should ever stop manufacturing ALL-BRAN, here is one who would be greatly disappointed."—Miss Amy Person (address furnished upon request).

Science says that ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regularity. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. How much safer than taking patent medicines—often harmful. Just eat two tablespoons daily for most types of constipation. For chronic cases, try it three times daily. If not relieved this way, see your doctor.

Sold in the red-and-green packages. At all grocers. Made by Kellogg in London, Ontario.

Metchosin Flower Show

An Outstanding Success

Good Exhibits Provide High-Class Competition—Beautiful Display From Experimental Farm—Mrs. A. D. Ellwood Wins Trophy

METCHOSIN, April 11.—The Metchosin and District Annual Spring Flower and Bulb Show, held April 10 under the auspices of the Metchosin and District Community Club, was again a distinct success. All the exhibits were exceptionally good and a special display was shown by David Patterson, manager at "Barrock Hill," owned by B. F. Rhodes. There was also a beautiful exhibit of the various classes of daffodils from the Experimental Farm, and photographs of them, hand-colored by Gus Maves, of Victoria. These were shown by Professor E. M. Straight. The Challenge Cup for the highest aggregate points was won this year by Mrs. A. D. Ellwood, and the Challenge Shield, completed for by the various schools in the surrounding districts, was tied by Miss Sheila Pennington and Miss Olive Snider, who were each presented with a medal.

Judges for flowers and bulbs were Neil B. Pollock, Mr. McCall and D. Patterson; judge for decorated tables, Mrs. Pope; judges for children's section, Rev. H. M. Bolton and Mr. Pierce. Mrs. Mune was tea convener, assisted by Mrs. Ferguson Reid, Mrs. Ellwood, and Misses Beryl, Joan and Dorothy Peora, Nora Heigenson and Joan Rensson. The home-cooking stall was in charge of Mrs. F. Walde, and the candy stall by Mrs. G. F. Weir. The various prizes were presented by Mrs. H. C. Heigenson. Prize winners in the different classes are as follows:

DAFFODILS
Trumpet
Empress—1, Mrs. A. D. Ellwood; 2, Miss Swallow; 3, D. Taylor.
King Alfred—1, Mrs. J. M. Milne; 2, Mrs. A. D. Ellwood; 3, D. Taylor.
Golden Spur—1, Miss H. L. Milne; 2, Mrs. A. D. Ellwood; 3, D. Taylor.
Princes Max—1, Miss H. L. Milne; 2, Mrs. A. D. Ellwood; 3, D. Taylor.
Any Other All Yellow and White—1, Mrs. Ellwood; 2, Mrs. Meredith-Jones; 3, D. Taylor.

Incomparablis
Sir Watkin—1, D. Taylor.
Lucifer—1, Miss H. L. Milne.
Any Other—1, D. Taylor; 2, Mrs. Ellwood; 3, Mrs. Meredith-Jones.

Barri
Conspicuous—1, Miss H. L. Milne; 2, Mrs. A. D. Ellwood; 3, D. Taylor.
Any Other—1, Mrs. Purvis-Smith; 2, Mrs. Ellwood; 3, D. Taylor.

Lordsl
Lily Langtry—1, Mrs. Ellwood; 2, Mrs. H. Bell; 3, Mrs. Pennington.
Any Other—1, Mrs. Pennington.

Doubles
Double Trumpet—1, Mrs. Ellwood; 2, Mrs. A. D. Ellwood; 3, D. Taylor.
Orange Phoenix—1, T. T. Pullen; 2, Mrs. Ellwood; 3, D. Taylor.
Golden Phoenix—1, Mrs. Ellwood; 2, Mrs. A. D. Ellwood; 3, D. Taylor.

NARCISSES
Poeticus Recurvus—1, Miss Swallow; 2, Mrs. Ellwood; 3, D. Taylor.
Poeticus Ornatus—1, Mrs. Purvis-Smith; 2, Miss J. M. Milne; 3, Mrs. A. Taylor.
Poeta Elvira—1, Mrs. Purvis-Smith; 2, Billy Beckingham; 3, Ruth Beckingham.
Polyanthus—1, Any Other—1, Mrs. Purvis-Smith; 2, Mrs. Ellwood; 3, Ruth Beckingham.
Jonquilla—1, D. Taylor; 2, Mrs. Ellwood; 3, Mrs. Swallow.

TULIPS
Early Single—1, D. Taylor; 2, Mrs. H. Bell; 3, Mrs. Pennington.
Early Double—1, D. Taylor; 2, Mrs. Meredith-Jones; 3, D. Taylor.
Best Collection—1, D. Taylor; 2, Mrs. Meredith-Jones; 3, D. Taylor.

HYACINTHS
Single—1, Mrs. J. M. Milne; 2, Miss H. L. Milne; 3, Mrs. A. D. Ellwood; 4, Mrs. Edwards; 5, Mrs. H. Bell; 6, Mrs. Matthews.
Scilla Campanulata—1, Mrs. G. F. Weir; 2, Mrs. Meredith-Jones; 3, Mrs. F. P. Frude.
Chionodoxa—1, Mrs. Ellwood.

VARIOUS

**Rock Slide Blocks
Railway Traffic**
VANCOUVER, April 11 (CP).—Blocked by a rock slide, fourteen miles north of McBride, B.C., the Jasper-Prince Rupert line of the Canadian National Railway was expected to be cleared tomorrow, company officials said here tonight.

Two trains, one on each side of the slide, had been held up, officials said, but no delay had been occasioned for passengers, who were transferred from one side of the slide to the other and the trains resumed.

INSULT TO SAIL FRIDAY
ISTANBUL, April 11 (AP).—Samuel Insull, pronounced fit by government doctors who examined him today, will be started back to the United States on Friday, the 13th, to face the fraud charges he has eluded for eighteen months. The trip may take a month.

City and District

Return Home—Donald Gibbs, fourteen-year-old schoolboy, who disappeared Monday from his home at 150 George Road, returned yesterday. He told his family he had been visiting relatives in Vancouver.

Building Permit—A permit for the construction of a five-room stucco house at 1224 Broad Street was issued to William Hay, the owner, by the city building inspector yesterday. The cost is estimated at \$2,700.

Relief Conference—On April 10 there will be another Western conference on unemployment relief at Edmonton. This will be attended on behalf of the Province by E. W. Griffiths, relief administrator, Hon. G. S. Pearson announced.

Unusual Number—W. Duval, of View Royal, is proudly showing four kids which were presented him by one of his goats, yesterday. It is seldom, Mr. Duval explains, that goats give birth to quadruplets, the usual number being two or three.

Will Plan Circus—To make plans for the Y.M.C.A. annual circus to be held in the Horse Show Building at the Willows, next month, the committee in charge will meet tonight at 7 o'clock in the association's building.

Revenue Was Low—British Columbia forest revenue fell off 324,000 last year, according to a statement issued by Hon. A. W. Gray. Total revenue under this head was \$2,006,638. Operating costs of the Forest Branch were also less by \$122,660.

Present Reports—In March, the Sanich police attended to seventy-three complaints and collected \$1,000.00. Operating costs of the Forest Branch were also less by \$122,660.

Certificate Granted—At the annual examinations which have just concluded, a certificate as a British Columbia land surveyor was granted to W. H. Forrest, of Victoria, and the following passed the examination for admission to study: Ray E. Chapman and H. C. McCullough, both of Vancouver.

Deputy Chapter—The Victoria Deacony Chapter held its quarterly meeting on Tuesday at St. Paul's, in the Empress Hotel. Thomas R. Myers and Victor Clarke will give their ideas of the cement and roofing industries. Vocal solos will be rendered by Miss Gladys Marchant, accompanied by Mrs. George Green. Next Wednesday night, commencing at 7 o'clock, the Rotarians will hold a dinner at the Empress Hotel. Frank Behl as chairman of the committee in charge of arrangements.

Answer Given—Responding to the contention in the House of Commons that Ottawa is without authority to review or disallow foreign ordinances passed under the S.P.A.

GLAD TO RETURN
The Philharmonic programme was carried by CJRM the following Sunday, however. He felt the move was made because he had tried to get it.

L. A. Beaulieu (Liberal, Provencher), thought the commission should be called to give its list before Mr. Buchanan returned to the city. He did not believe he would be glad to return if called.

R. W. Ashcroft, Toronto, president of the Dominion Broadcasters' Association, Toronto, urged the government to go out of the broadcasting business and adopt an alternative plan of a wide measure of government control over the broadcasting stations on a commercial basis.

"I consider the present commission as a step toward the private radio stations of Canada," he said. "The Government should either 'fish or cut bait.' It should either let the private stations go, or it should attempt to control them."

Changes in wage lengths in April, 1933, had already been instituted in the Dominion, although the alterations previously had been satisfactory, Mr. Ashcroft said.

Allocation of broadcasting channels, he thought, should revert to the competent hands of the Department of Communications, in collaboration with the executive of the Canadian Broadcasting Corporation.

NO PROGRESS MADE
So far as national ownership of radio is concerned, Mr. Ashcroft said, there has been no progress. "National ownership has been characterized at this hearing as it is a delusion and a snare, as are many other pious hopes."

With respect to the commission's policy on radio programming, Mr. Ashcroft said the United States broadcasts had refused to observe this regulation.

"I submit this is unfair discrimination on the part of the radio commission towards Canadian broadcast programmes, which cannot exceed the 5 per cent limit."

Mr. Ashcroft presented to each member of the committee a draft bill which would set up a new quasi-national broadcasting system, with the enforcement of either sell time on the air to advertisers.

PLAN NOT ENDORSED
To a question asked by E. J. Garland (U.F.A., Bow River), Mr. Ashcroft said his plan had not been received the endorsement of either the Canadian Radio League or W. E. Gladstone Murray, of the British Broadcasting Corporation, who acted as adviser on radio matters to the Canadian Government.

After Mr. Buchanan left the stand the committee held a meeting in camera to discuss certain matters pertaining to the internal operation of the commission. The next public meeting will be held on Friday.

ARRIVES AT NOME
NOME, Alaska, April 11 (AP).—Rescued after nearly two months spent on the Arctic pack when the vessel Chelouskin sank off Northern Siberia, Professor Otto Schmidt, leader of the large party of Russians aboard the ship, arrived here by plane today from Cape Van Karem, Siberia.

The gallant leader of the expedition was very weak. Pilot Sletneff was accompanied on the flight by two of the party, who had been blown from the ice camp the past few days, by Professor George Delakoff, leader of the rescue expedition, Clyde Armand and Bill Lavery, both mechanics of Fairbanks. The 375-mile flight from Cape Van Karem was made in two hours and ten minutes.

Assisted to an automobile, Professor Schmidt was rushed to a hotel by a Nome physician to give him medical attention.

**Fail to Terrify
Belgrade Police**
BELGRADE, April 11 (CP via Havas).—Two bomb explosions occurred today in the vicinity of police headquarters here. No one was hurt. Police officials expressed the opinion the bombings were staged by terrorists.

RIOT IN WARSAW
WARSAW, April 11 (AP).—One person was killed and a score were seriously wounded and injured today when the police drew their revolvers to break up a demonstration of workers on unemployment relief projects.

NO REMORSE FOR DEATH OF CHILD
Capital Sentence Demanded on Thirteen-Year-Old Boy for Murder in Chicago

CHICAGO, April 11 (AP).—In a different and unbecoming, thirteen-year-old George Rogalski calmly told a coroner's jury today how he lured tiny, blonde Dorette Zietlow, two and a half years old, to her death in an abandoned ice house. The jury recommended that he be held for murder, and prosecutors announced as he was being led away to a cell that they would ask for a penalty of death in the electric chair.

Rogalski said his conscience was untroubled because he knew for nearly three days the little girl was starving and freezing in the dilapidated building. Dorette died in hospital today. She was found yesterday.

PLANNING VOYAGE IN CURIOUS CRAFT
Old-Age Pensioner Bound for Powell River in Man-Propelled Paddle Boat

VANCOUVER, April 11 (CP).—When John Davidson, old-age pensioner and once a lead bowler, puts to sea late this week for Powell River, the signaller at Prospect Point will just have to call his craft the Agnes and let it go at that.

For it is neither gasboat, sailing vessel, steamer or rowboat. It is an old-fashioned man-powered contraption, eighteen-feet long, propelled by a hand-turned windlass which whirled two six-foot discs of wood, rigidly attached and submerged. On the outer side of the discs are salvaged iron wings which grip the water.

Davidson built the craft at Kamloops and brought it here by train. It's hard to work up unpopularity for a postmaster-general who thought to put enough machinery on stamps.

Get Money Back With Sixth Baby
ROME, April 11 (CP).—State insurance applying to all marriages was in force today in Italy. When couples wed, the priest gives them "nuptial policy" issued by the National Institute of Insurance. Half the capital paid in is returned on the birth of the sixth child.

STATE OF ALARM IN SPANISH PROVINCE
ZRAOZA, Spain, April 11 (AP).—In this province today as a result of a continued strike by Labor Syndicalists, resulting in uneasiness. The decree is similar in some respects to, but not as drastic as, martial law.

Teacher—What is a volcano?
Bright boy—A high mountain that keeps on interrupting. The tomato in its original shape was uneven and warty. After its arrival in Europe in the sixteenth century from South America, its use was confined to Spain, Portugal and Provence. Even as late as 1870, the tomato was rare in Paris. Last year Canada exported 1,339,726 cases of tomatoes and tomato products constituting the largest of Canada's canneries.

Man—Is New York the next stop?
Porter—Yes, sah; brush you off, sah?
Man—No, I'll get off myself.

Fear of Middle Age
Severe Strain on the Nerves

The dread of middle age has ruined the health of many a woman. To some it is a worry that brings a nervous breakdown.

This period in life has its difficulties, But they are greatly exaggerated by the imagination. It is the fear and worry that depletes the nervous system, Rather than the natural change at this time of life.

By keeping the blood rich and red And thereby supplying nutrition to the nervous system, You need have no fear of middle age.

By using Dr. Chase's Nerve Food regularly, Throughout this period of change, You can usually avoid any serious trouble. With a good supply of nerve force To ensure the health and vigor of mind and body.

You dismiss from your mind any worry You may have had about middle life.

Social Activities and Notes of Personal Interest

Conservative Women Hold Bridge Party

The Women's Conservative Association held a telephone bridge party, last evening, when the hostesses were: Mrs. W. Higgins, St. Lawrence Street; Mrs. K. Palmer, Yates Street; Mrs. F. C. Kilby, Chester Street; and Mrs. R. D. Harvey, Hazel Street.

Playing at Mrs. Higgins' house were: Mrs. A. Steer, Mrs. E. Rance, Mrs. Jefferson, Mrs. Cullross, Mrs. W. Hamilton, Mrs. Slater, Mrs. A. D. McLeod, Mrs. A. M. Fleming, Mrs. Carson, Miss Higgins, Miss N. Bodycote, Miss M. Bristowe, Mr. and Mrs. Millard, Mrs. W. G. M. Rolston, Mrs. A. Young, Mrs. W. White, Mrs. A. Phelps, Mrs. J. Price, Mrs. J. Ringshaw, Mrs. S. R. Bowden, Mrs. C. H. Smith, Mrs. H. Murray, Mrs. H. Ord, Miss S. Dowell.

At Mrs. Harvey's party were Mr. and Mrs. A. Wilson, Mrs. Hanson, Mr. R. A. Woodson, Mr. S. Child and Mr. Alex. Maclean.

Mrs. Palmer's guests were: Mrs. E. Fulton, Mrs. B. Ripley, Mrs. Laxton, Mrs. A. Coleman, Mrs. J. W. Weston, Mrs. P. Jeanne, Mrs. B. Wain, and Mrs. Lennie.

Playing at Mrs. Kilby's house were: Mr. and Mrs. A. Williams, Mrs. F. Willis, Mrs. F. Osborne, Mrs. Davenport, Mrs. C. Creale, Mrs. M. Plummer, Miss Haddock (Winnipeg), Mrs. A. Stewart, Mrs. M. Stewart, Mrs. G. McKilligan, and Mrs. V. Dawkins.

I.O.D.E. Activities

MAHAHAT CHAPTER

The monthly meeting of the Mahahat Chapter, I.O.D.E., was held at Rosedale Inn. The regent, Mrs. V. H. Stewart-MacLeod, presided. Mrs. M. Kinloch was welcomed back to the Chapter after her trip abroad. Reports of the bridge, held last month under the convener'ship of Mrs. R. A. Sill, showed the sum of \$18.50 realized. It was decided to hold a bridge-ten during July, at the home of Mrs. Stewart-MacLeod, the date to be announced later. The tea was served by the hostesses, Miss D. Seales and Miss H. Macklin.

Victorians Enjoying Sunny Waikiki

—Photograph by Helen Host.

BATHING suits and beach umbrellas vie for leadership in brilliance of color and design, at the internationally famous Waikiki, Hawaii. This smiling group, photographed on the sands before the Royal Hawaiian Hotel, Honolulu, includes, from right to left, Mrs. Ray Castle, Mrs. C. Armstrong and Mrs. M. F. Driscoll, all of Victoria. Mr. and Mrs. Castle have since returned home, and Mrs. Armstrong and Mrs. Driscoll are expected back at the end of the month.

Clubs and Societies

Women of the Moose

A splendid drill practice was carried out by the officers and drill team of the Victoria Chapter, No. 25, Women of the Moose, prior to their regular meeting held in the St. Ann's Hall. The meeting opened with Mrs. Mary Pearce presiding. Initiation of two new members, Mrs. Jessie Kelly and Miss Barbara Pollard, was carried out by the officers and drill team under the direction of the drill captain, Mrs. Jean Lumley. Mrs. Alice Hatcher reported having visited Mrs. Mary Carter and Miss Dolina Guelpe. Mrs. Mary Morry and Mrs. Jean Reed were welcomed back to the chapter. The splendid report of Mrs. Alice Hatcher on the recent birthday banquet brought forth a vote of thanks to her and her committee. It was decided to hold a luncheon in the hall to members and friends some time in April. All members are requested to get their tickets as soon as possible for the coming banquet to be held under the auspices of Maple Leaf Legion, No. 53, in the Douglas Hotel on

Saturday, April 28. Tickets may be obtained from the recorder, Mrs. Helen Parker. At the close of the meeting the chapter was joined by Maple Leaf Legion, No. 53, and returned to the dining-room, where supper was served by the social committee, Mrs. Castle Spouse, Mrs. Evelyn Clark and Mrs. S. Alexander.

Bridge Club

Miss T. Goy entertained the "Evenings-of-28" Club at her home on Austin Avenue on Tuesday evening. Mrs. Leonard Holmes (nee Margaret Wilkie), an out-of-town visitor and former member of the club, was the guest of honor. Three tables of bridge were played. Mrs. Holmes won first prize and Miss Margaret Hemmingsen the consolation. The supper table was very prettily decorated with bowls of pansies. Members present were Misses Margaret Hemmingsen, Audrey Bland, Nina Ferguson, Dorothy Ashman, Mary Rose, Evelyn Morrison, Jean Drysdale, Doris Benwell, Louise and

Olive Ormond, T. Goy and Katherine Barlow.

Kia-Ora Club

The Kia-Ora Club held a meeting at the home of Mrs. K. Shapland, Queens Avenue. The evening was spent in bridge, first prize being won by Miss Jessie Morrison and consolation by Miss Jean Scott. The club entertained as their guests Miss Mary Graham, of Calgary, and Miss Jean Brown. Members present included Misses Jane Matthews, Jessie Morrison, Edythe Shapland, Phyllis Rawlings, Rosalie Ballantyne, Frances Hutchison, Edna Matthews, Eileen Bowden and Jean Scott. Miss E. Matthews will hold the next meeting at the home of Mrs. K. Shapland, Queens Avenue, on April 23.

Group "B" Meets

Group "B" of the Women's Association of the First United Church met on Tuesday afternoon at the home of Mrs. A. S. Christie, Richardson Street. Mrs. J. B. Munro, the president, was in the chair, and Mrs. McKeechie gave the scripture reading. Mrs. J. W. Saunby gave an interesting talk on "The Marthas and Marys of the Church." Plans were made for the tea to be held on Saturday, April 14, in connection with the "Bazaar of Nations," and for the guest luncheon to be held in the Sunday school on May 10. At the close of the meeting, refreshments were served.

Pride of Victoria

J. O. A. Pride of Victoria, No. 55, held their regular meeting recently in the Orange Hall, Courtney Street, with Worthy Chairman O. Edmonds and Vice-Chairman J. Humphries conducting the meeting. Initiation was carried out and a splendid report given of the daffodil tea. Plans were made for receiving the R.W. Grand Mistress and her officers on their official visit on Tuesday, April 17, at 4 o'clock sharp. Plans were requested to be present and to note there will be no meeting on April 14.

Mother's Union

The annual service of the Diocesan Mothers' Union was held on Tuesday afternoon at St. John's Church, about seventy members attending. Rev. Canon Chadwick conducted the service and preached a most helpful and inspiring sermon. Five new members were admitted. Mrs. H. C. Corbett sang a solo, Mr. G. Jennings Burnett was at the organ, and the choir consisted of Mothers' Union members.

St. Andrew's Y.W.M.S.

Members of St. Andrew's Presbyterian Young Women's Missionary Society will hold a silver birthday tea on Saturday, from 3 until 6 o'clock, in the lecture room of St. Andrew's Presbyterian Church.

Pioneer Club

The W.B.A. Pioneer Club will hold a bridge and whist party in aid of the rally fund at the home of Mrs. Burnett, 1429 Richardson Street, tomorrow at 8 p.m.

South Saanich L.A.

The South Saanich United Church Ladies' Aid will hold its monthly meeting at the home of Mrs. L. Deering, Central Saanich Road, this afternoon.

Soroptimist Club

The Soroptimist Club's regular monthly business meeting takes place in the clubroom tomorrow at 8 p.m.

Cathedral Guild

The Women's Parish Guild of Christ Church Cathedral will meet tomorrow at 2:30 p.m. in the Memorial Hall.

Chief Factor Of Post Here Is Selected

The annual meeting of the Native Daughters of British Columbia, Post No. 3, was held in the K. of P. Hall, last night, with the chief factor, Mrs. F. C. Webb, presiding. Mrs. L. Lorimer was elected chief factor for the ensuing term. Other officers chosen were Mrs. F. C. Webb, past chief factor; Miss L. Smethurst, vice-factor; Miss Lorimer, chaplain; Miss Olive Leavitt, secretary; Mrs. H. Dalziel, treasurer; Mrs. J. King, chief guide; Miss M. Gillies, assistant guide; Mrs. R. A. C. Grant, auditor; Miss M. Andrews, inner sentinel; Miss Mae McCorkill, outer sentinel, and Miss E. Neelands, historian.

TO HOLD BANQUET
A banquet will be held on Wednesday evening, April 25, at 8:00 o'clock, in the K. of P. Hall, which will be followed by the installation of the new officers.

Annual reports were given by Mrs. F. C. Webb and by the secretary, Miss Jean Lorimer, and the treasurer, Mrs. H. Dalziel. Mrs. J. C. Newbury gave a gratifying report of the Easter egg and novelty stall, which was held recently.

A resolution was ordered to be sent to the Local Council of Women, urging the prohibition of the sale of wild flowers and the export of the bulbs.

A resolution of appreciation for splendid publicity given the activities of the organization by The Colonist and Times was passed.

WOMEN'S INSTITUTES

STRAWBERRY VALE

Having recently been appointed to the trusteeship of Strawberry Vale Community Hall, Burnside Road, by the Women's Institute, who have held that trust since 1924, the new trustees, viz. Messrs. F. F. Ireland, E. Rowland and P. Foster, have decided that, first in a series of events to come, they will start off with an old-time "hoe-down," being in keeping with the original idea of the times in which the hall was built, about thirty-three years ago, and in its effort to try to revive the old-time neighborly spirit of the district. Particularly, in connection with the young folks, it is hoped that the hall may be the centre of sports and social activities which the management will endeavor to foster with their help, and by charging a nominal fee. An entertainment committee has been formed, comprising Mrs. Coleman, Misses B. Falkner, L. Roach and M. and Pringle and E. Grant, and they hope to make this initial dance an outstanding success. The hall floor is being resurfaced, and the building is being redecorated, and plans are being made for a series of events, including with old-time ideas, and patrons are particularly requested to dress strictly in keeping with the spirit of the occasion.

The date set for Wednesday, April 18, dancing to commence at 9 o'clock sharp and continue to 1 a.m. A popular orchestra will be in attendance and will provide both modern and old-time music. Refreshments will be served.

Sketch Club

The Sketch Club of the Island Arts and Crafts, at its first meeting of the summer season, held at the home of Mrs. A. J. Woodward, "Clovelly," had the pleasure of entertaining their last Summer's hostesses at a delightful tea party. It was suggested that the members of the club should have a special afternoon session at a date to be announced later. Invited guests included Mr. and Mrs. J. Newberry Hatch, Miss Angus, Mrs. E. H. Bird, Mr. and Mrs. T. S. Gore, Miss McMullin, Mrs. M. S. Wheatley, Mrs. H. M. (Major) Reynolds, Mrs. Thorpe-Douglas, Mrs. Shallerose, Captain and Mrs. Ian St. Clair, Mrs. Hodgins (Colwood), Mrs. C. A. Cooper, Mr. McArthur and Mr. T. Bamford. On Monday next members are asked to take the Lake Hill bus to the home of Captain and Mrs. Ian St. Clair, Saanich Road, for sketching, to begin at 2 o'clock.

DIES IN OTTAWA

OTTAWA, April 11 (CP).—Mrs. I. C. Sharp, honorary president of the Western Division of the Women's Missionary Society of the Presbyterian Church in Canada, and widow of Dr. I. C. Sharp, of Montreal, died at the home of her sister, here, Tuesday.

Weddings

GIBBS-TAYLOR
The bride of Margaret Marie (Peggy), only daughter of Mr. and Mrs. J. J. Taylor, 216 Michigan Street, and Mr. F. E. Gibbs, eldest son of Mrs. R. J. Gibbs, George Road, and of the late Mr. Gibbs, was quietly solemnized last evening, at 8 o'clock, in the Bishop's Palace, Rev. Father Gaudet officiating. The pretty bride was given in marriage by her father, and wore a girlish princess frock of white crepe de Chine, made with a cowl neckline and full leg-o-mutton sleeves, and was tied with a sash at the back. She also wore a white turban and veil and a corsage bouquet of Ophelia roses and maidenhair fern. Miss Annie Hildebrande was the only bridesmaid in a nigger brown satin frock and brown accessories and a corsage bouquet of sweet peas, and Mr. Martin O'Connor supported the groom.

After the ceremony, members of both families returned to the home of the bride's parents, where refreshments were served from a table arranged with white streamers, white carnations and narcissi and tall white candles, and was centred with the all-white three-tiered wedding cake. For the occasion, Mrs. Taylor wore a smart gown of violet crepe with a matching hat and a corsage bouquet of sweet peas. After a wedding trip up the Island, Mr. and Mrs. Gibbs will take up their residence on the George Road. For travelling, the bride wore a powder blue swagger suit and white accessories.

Kitty McKay

By KINA WILCOX PUTNAM

The girl whom says it is noticed that the guy who is so generous that he "will give you the shirt off his back" never goes so far as to perform this act of self-sacrifice in public.

Catholic Women Hold Election

The Esquimalt Subdivision Catholic Women's League, held its annual meeting in the hall of Our Lady of Peace Church, Esquimalt. Mrs. P. Harris was elected president; Mrs. Macdonald, first vice-president; Mrs. Potts, second vice-president; Mrs. Fagan, third vice-president; Mrs. Gillespie, secretary-treasurer; Mesdames Hutchinson, F. Allan, H. Fairs and McWade, councillors. It was regretted by the members that Miss Louise Dugal, retiring secretary-treasurer, will leave at the end of this month, with her family, for her former home in Ottawa.

Annual reports of the secretary-treasurer were heard with approval, and the annual report for social service was presented by Mrs. Fagan. For the current month Mrs. F. Allan and Mrs. Smyth will be in charge of sick visiting.

On May 3 a card party for St. Louis College funds will be held in the Queen of Peace Hall. Bridge and five hundred will be played. Mrs. Gillespie and Mrs. O'Leary will act on the refreshment committees.

On Thursday, April 19, a card party will be held to augment the funds of the subdivision, and a tomato prize will be competed for. Mrs. O'Leary and Mrs. Gillespie will be in charge of refreshments.

Active interest is being taken in the forthcoming national convention of the Catholic Women's League of Canada, to be held in Victoria from June 28 to June 29.

CONGREGATIONAL SOCIAL

St. Matthias' Church, Foul Bay, will hold a congregational social tonight at 8 o'clock in the hall. Members of the church and friends are invited.

Y.P.S. News

VICTORIA WEST

The Victoria West Young People's Society held their regular session on Tuesday evening with the president, Mr. Jack Price in the chair. The meeting took the form of a "Mystery Trip" to the police station. A brief devotional service was led by Mr. C. Milley. The tennis rules were discussed, but it was decided that the matter was left until further arrangements were made. The society was reminded of a united picnic that is to be held in July, to which all societies of the Union are invited. The society then made their way to the police station. T. H. Brandford, assisted by Mr. Jordan, kindly showed the members over the station. The fingerprint department was visited and the members were shown how the fingerprints were taken and how they were classified. It was announced that the next meeting will be a social under the leadership of Mrs. Milley. All young people are invited.

CENTENNIAL

The young people of Centennial United Church met, as usual, on Tuesday evening. The devotional period of the meeting followed the devotional programme used at the young people's conference last Saturday. The minutes were duly read and adopted, after which Ernest Hatch, Samuel Swelnam, and Fred Wheeler were appointed to look into the possibilities of obtaining tennis courts for the coming season. An impromptu debate was held: "Resolved that a car ride is more enjoyable than a buggy ride." The affirmative was taken by Olive Gray and Ernest Hatch and the negative by Mildred Dickson and Bernard Ebnala. Several humorous arguments were advanced by both sides, but the judges decided that the negative side had won by a very small margin.

ESQUIMALT

On Friday evening at 8 o'clock in the schoolroom of the Esquimalt United Church, motion pictures will be shown by the Northern Pacific Railway Company. The pictures will include views of the Century of Progress Fair. Musical items will be given during the evening. A collection will be taken in aid of Y.P.S. funds.

BAPTIST

The regular meeting of the Douglas Street Baptist Young People's Society will be held tomorrow at 7:30 p.m. William Tyson and Henry Robinson will be in charge of a literary project. All young people are cordially invited to attend.

The editor of a newspaper rushed to his telephone and asked for the printing works.

"Hello!" he said to the chief compositor. "Are you well supplied with X's, Y's, and Z's?"

"We've got the usual supply," said the man at the other end of the phone. "What's the bother?"

"Well, order an extra ton of each," instructed the editor. "I've just heard that there is going to be big trouble in Russia, so we'll need all of those letters we can get."

The editor of a newspaper rushed to his telephone and asked for the printing works.

"Hello!" he said to the chief compositor. "Are you well supplied with X's, Y's, and Z's?"

Tricorne Hats Back Again

Reminiscent of Another Day and Age, Tricorne Hats Are Swinging Back Into Favor Once More. This One's In Black Felt, With a Metal Rose as Ornament.

Social and Personal Notes

Birthday Party
Mr. Jack Woodley, Wellington Avenue, was enjoyably surprised at his home, on Tuesday evening, when several of his friends met to wish him "many happy returns of the day."

The evening was spent in playing bridge, the prizes being won by Misses Irene Noakes, Vivienne Nock and Irene Palmer, and Messrs. Ronald Morley and Edwin Smith. During the evening, Mr. Walter Bee conveyed the best wishes of all sent to Mr. Woodley, and on the behalf presented him with a tobacco humidor, well filled with his favorite brand. Mrs. P. J. Woodley served the refreshments from a prettily decorated dining table, which was centred by an led birthday cake bearing the required number of candles, and set off at either holder. In addition to those mentioned above, the guests included Misses Laura Nock, Margery Tindal and Muriel Chadwick, and Messrs. William Pettie and Charles Beck.

Alumni Dance
St. Joseph's Hospital Alumni entertained at a most delightfully arranged dance, last evening, in the ballroom of the Empress Hotel, in honor of the 1924 dancing class.

There were about 150 guests, and a five-piece orchestra, under the direction of Mr. William Tickle, played a good programme of dance music. A buffet supper was served during the evening. On the reception committee were: Dr. and Mrs. Stuart Kenning, Dr. and Mrs. W. T. Barrett, Dr. and Mrs. W. E. M. Mitchell, Miss Ellen Cameron, president of the alumni; and Dr. M. J. Keys.

Catholics Entertain
In aid of the St. Louis College, the Senior Subdivision of the Catholic Women's League entertained yesterday afternoon and evening at St. Ann's Hall with bridge parties. In the afternoon Miss H. O'Brien was in charge, while in the evening Mrs. Blair Reid was the convener. There was a home-cooking sale in the afternoon, and the proceeds of the sale were for the benefit of the St. Louis College. Refreshments were served under the direction of Mrs. G. Roberts, assisted by Mesdames A. O. Morry, C. Roarke and V. M. Kennedy.

Leave for Seattle
Mrs. W. S. Campbell and her daughter, Miss Betty Campbell, are spending a week in Seattle, prior to sailing, on April 19, for Colombo, Ceylon, where they will remain until August, and later Miss Campbell will study at the Royal Academy of Music, in London.

Sailed Last Evening
Mr. and Mrs. Hunter Wells, of Saskatchewan, who have been holidaying in Victoria, the past few weeks, sailed last evening aboard the St. Ruth Alexander for Southern California, where they will spend some time.

En Route Home
Among passengers arriving on the Canadian National liner Lady Hawkins, which docked at Saint John, on Tuesday, from the West Indies, were Sir Frank and Lady Barnard, of "La." They are due to reach Victoria at the end of next week.

To Leave for Kingston
Mrs. Andrew Gray, Catherine Street, will leave today for Kingston, Ontario, to visit her son-in-law and daughter, Major and Mrs. L. Hughes. She will be accompanied as far as Vancouver by her daughter-in-law, Mrs. A. J. Gray.

At Qualicum Beach
His Honor the Lieutenant-Governor and Mrs. J. W. Fortham Johnson are spending a few days at their country home at Qualicum Beach. They expect to return to Government House early next week.

Returns to Mainland
Mrs. Edward Phillips, of New Westminster, who came to the city to attend the wedding of her niece, Miss Ellen Wilson, to Mr. H. A. J.

Visiting Mother
Mrs. E. Hunt, of Summerland, is visiting her mother, Mrs. C. E. Edwards, 1331 Hampshire Road.

At James Bay Hotel
Mrs. H. L. Munn, of Vancouver, and Mr. D. Munn, of Regina, are registered at the James Bay Hotel.

Visiting in City

TOUGH GOING IN ANTARCTIC

Former Canadian Policeman Tells of Hardships in Making Trail

LITTLE AMERICA, Antarctica, March 11 (Delayed). (A.P. via MacKay Radio).—How they conquered intense storms and temperatures sixty-one degrees below zero in "building" a road 100 miles to the south was told today by the main southern party of the second Byrd Antarctic expedition.

Captain Alan Tinnis Taylor, formerly of the Royal Canadian Mounted Police and the Royal Flying Corps, was in command of the party.

PREPARING FOR TREK

They spent a month behind three nine-dog teams on the rolling ice barrier, marking a trail with orange flags and putting down food depots so that next spring a trek can be made to the Edsel Ford and Queen Maude Ranges.

"We had our terrible day," the Canadian recounted. "We broke camp early with the hope of making seventy-five miles by night. The temperature was forty-three below. A thirty-one-mile wind made it cruel. The snow was like sand—it was tough going. "Ronne froze his wrist harnessing the dogs, and later both cheeks. Paine suffered a frost-bitten cheek. My finger froze. But it was tougher on the dogs.

HARD ON THE DOGS

"The wind picked up drift from the surface, and the dogs got the full slash of it. They shut their eyes and kept crawling, sometimes belly-deep in the loose snow. First a dog of Ronne's team died in harness. Then one of my team foundered, and the merciful thing was to shoot him.

"The nights were like long nightmares. Many times my sleeping bag had twenty pounds of ice on it. On the 28th we lost another dog.

"Neige, a file dog in my team, came in, and I carried him on the sled for a while, but just before we reached fifty-mile depot he died."

The men told also of a snowquake on March 16, when "the air shook with a sound like the roar of 1,000 locomotives, and for miles the barrier surface trembled and settled three or four inches."

For some distance they were helped by a sledge and tractor party.

What Today Means

"ARIES" If April 12 is your birthday, the best hours for you on this date are from 8:15 to 10:15 a.m., from 1:15 to 3:15 p.m., and from 6:15 to 8:15 p.m. The danger periods are from 4:15 to 5:15 p.m. and from 9:15 to 11:15 p.m.

In your social activities on this date, whether you feel like it or not, exert yourself to be gracious to everyone you meet, and try to comply with any reasonable request made. Be careful not to overexert yourself by undertaking to do too many things, or go to numerous places. Be cautious about making any personal comments in public places.

If you were born on April 12, do not allow yourself to indulge in a sense of self-exaltation or an over-

BONERS

are actual humorous tid-bits found in examination papers, essays, etc., by teachers.

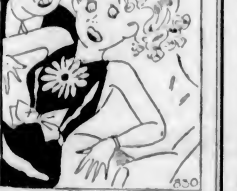

A sculptor is a person who can make you out of clay or rock.

Mussolini is an exercise people do over in Italy.

An axiom is a statement too true to be proved.

Consonants are letters you can pronounce without opening your mouth.

The word "lady" is a noun in the feminine voice.

Hairpins are used to keep the hair in your head.

The capital of Italy is Rome.

In good bread-dough are found many holes having a spongy appearance.

Distillation is the process of separating a liquid from one or more dirty ones.

Insects differ from other animals because they have a head, a breast and wings; they have four legs on which they can walk and they don't know how to talk.

BOARD FAVORS MARKETING ACT

Fruit Growers Claim Control Methods Essential to Their Carrying On

BRENTWOOD, April 11.—The British Columbia Board of Trade met in the Women's Institute Hall, Brentwood Bay, with Captain Babington in the chair. There was a good attendance of members, and several matters of importance to the district were dealt with.

The Marketing Act was discussed from all angles. P. Holloway and W. Kersey spoke in favor of market legislation. It was pointed out that the fruit growers could not carry on unless some control methods were used such as fixed minimum prices and regulated surpluses. Fruit is being sold below the cost of production, and compulsory legislation was essential, the speakers said, otherwise growers will be compelled to go on relief.

A resolution was passed unanimously that a telegram be sent to C. H. Dickie, member for Nanaimo, saying that the British Board of Trade favors a suitable marketing act.

Three new members were enrolled.

Arm-in-arm the two young lovers strolled aimlessly through the orchard in the pale moonlight.

Presently they stopped and she raised her hand for silence.

"Henry, dear," she said in a hushed whisper, "do you hear the trees moan and sigh?"

"Yes," said the unromantic John. "I think we would, too, if we were as full of green apples as these trees are."

How It Started

A PAPAL BULL A reader inquires as to the meaning and origin of a "Papal bull," the named used for a formal letter or edict of the Pope.

Answering the specific question of our reader as to what relationship this term has to our familiar bull—the male animal—it has none whatever. This "bull" comes from the Latin "bullo," meaning a seal or stamp. Hence it is from the seal which is affixed to it, and with reference to the official nature of such a communication from the Pope that it takes its name.

HOLDING DISPLAY TO AID SCOUTS

Scout Troop, the Victoria High School gymnasium display, presented under the direction of William A. Roper and Miss Mona O. Miller, physical directors of the High School, will be presented on Friday evening at 7:45 o'clock at the school. Some 400 students will take part.

When the annual display was presented last month it drew capacity audiences at both performances and the show was voted one of the best of its kind ever staged in Victoria.

In order to augment the funds of Third Victoria (St. Barnabas) Boy of

At the Theatres

"MELODY PARADE" IS COMING TO EMPIRE

Wally Peters, the sensational young wizard of the banjo, coming to Victoria to the Empire Theatre on Friday with the "Melody Parade," that sparkling, entertaining revue, seems able to get more real music and rhythm out of his chosen instrument than many players of greater age and experience. Only fifteen years old, Wally has been a banjoleer for the past two years, and the strides he has made in that time are extraordinary. He is capable of playing many unique and difficult novelties, which Victoria people will have a chance to hear.

Radio Stars in Columbia Story

The "It Girl of the Air" that's the official title of Donna Damore, Marge of the popular radio skit, Myrt and Marge. With Myrt (Myrtle Vall), her partner, Donna makes her talkie debut in "Myrt and Marge" today at the Columbia Theatre.

The title was bestowed upon her by the readers of a leading radio magazine (Radio Guide). Donna won the contest over such stars as

AMUSEMENTS

On the Stage
Empire—Skipper Don Mills.
On the Screen
Capitol—Jean Parker, in "What Price Innocence?"
Columbia—Myrt and Marge, popular radio stars. They have been playing in "It Happened One Night," starring Warner Baxter.
Playhouse—"As Husbands Go," starring Helen Vinson and Warner Oland.

Ruth Etting, Ethel Shutta, Connie Boswell and Kate Smith.
She comes naturally by her theatrical success. Myrt, her mother, and George Damerel, her father, were long famous on the musical comedy and vaudeville stages. In "Myrt and Marge," Donna plays opposite Eddie Fols, who has several song and dance numbers which they put over in great style. Others in the cast are Ted Healy and his stooges, Trisie Prigana, and Tom Jackson. As the added attraction the management has secured Ken Maynard in "Gun Justice."

Warner Baxter Playhouse Star

"As Husbands Go," Fox Film's screen play adapted from Rachel Crothers' Broadway success and produced by Jesse L. Lasky, opens at the Playhouse Theatre today.
Directed at the hearts of the modern husband and wife, the film played upon the emotions of a woman who longs for the glamour of a new romance after tiring of the old one.
Warner Baxter, in the leading role, gives a performance that tops any of his previous endeavors, while Helen Vinson, who plays opposite him, gives a splendid characterization as his wife.
Cicely Courtneidge in "Soldiers of the King," her first solo starring production, is the added feature. Cicely is a great artist, and her sense of the burlesque is as brilliant as her whimsical charm in emotional sequences. She has been given every opportunity to shine in this Gainsborough picture, and her boundless energy and artistry earn her the title of the screen's greatest comedienne.

DOMINION Clark Gable first won THEATRE audience recognition two years ago when he played a supporting role in "The Easiest Way," starring Constance Bennett. He owes his present prominence to the thousands of film fans who wrote to Hollywood producers, asking that he be featured. Gable is now appearing in Columbia's "It Happened One Night," current attraction at the Dominion Theatre, in which he is co-starred with Claudette Colbert.

EMPIRE "Skipper Don Mills and his Gang" appear for the last time today on the Empire Theatre stage, terminating a six-day engagement. In bidding farewell to Victoria "Skipper" announces that he will return shortly, prospecting his troupe in an entirely new programme of songs, dances and comedy turns. "Bill" and "Bob," the comedy pair, are featured together with many other stars, internationally known through the radio broadcasts. Also shown is the feature picture, "Sixteen Patience Deep."

CAPITOL In no way intended to preach, "What Price Innocence?" now at the Capitol, embodies, nevertheless, a strong indictment of the imperturbable, steadfast faith that certain parents have in the moral inflexibility of their children. Jack Holt may be seen in the added attraction, "The Wreck."

BAZAAR OF NATIONS IS ARRANGED HERE

A novel Bazaar of Nations will be held at the First United Church, on Friday and Saturday evenings, April 13 and 14, at 7:30 o'clock, under the auspices of the senior groups of the church. Many unique booths will be displayed, representing different nations, such as Holland, France, India and Little America. Costumes and decorations will be typical of the nation represented. The programme both evenings will be a review of nations, in which nations, including China, Scotland, Hawaii, Spain and others, will be represented in a characteristic concert and pageant of music, dance and song, in which many local artists are taking part.
On Saturday afternoon the bazaar will also be open and a Japanese afternoon tea under the auspices of Group "B" of the Women's Association will be held.

Constitution and By-Laws Passed By Conservatives

Constitution and by-laws of the newly-organized Junior Conservative Association of Victoria were adopted unanimously by members of the organization, at a special meeting called for that purpose, last night.
The by-laws and constitution were read to the gathering by W. H. M. Haldane, of the senior association, and after some discussion, passed the meeting.
It was decided that regular meetings should be held on the first Tuesday of every month, and as the first step towards active social work, a social evening was decided upon for May 3.
The meeting was well attended, and was presided over by Harry Bapty, president.

Circus Aerialist Grounded for Life

ALFREDO Codona, known to millions of circus-goers as the only aerialist to make a triple somersault, is on the ground, just a spectator in the stands, as circus season opens. Injury received in act ended his career as world's greatest aerialist. Codona's wife, Lillian Leitzel, lost her life in performing a similar stunt. Photos show him when he was at "height of fame," and grounded.

where some—the most valuable, fortunately, the cows and sheep—thrive so far, on the ferns and mosses which we have mixed with the last of the fodder brought from earth. Other of the animals do not do so well, and if they die, it is the last we shall see of their species. But shall we ourselves survive?

On reading the above, it seems that my tone is melancholy, and I feel that it cannot be otherwise. Pressure of work and the reaction to our months of strain and danger, contemplation of the awful though splendid perils of the flight from earth, have brought about this state of mind. We may be—here, for all we know—the only living, intelligent beings in all the cosmos; one hundred and three of us—many past the prime of life—stranded in this solitude with two cows, two sheep, two deer, a few ants, grasshoppers, fungi, bacteria and bees that we have brought with us. We are now feeling the grinding despair that castaways must know, except that we cannot have the hope of rescue, and still worse, we have abandoned the hope of any other fellowship than our own. Solitude—loneliness!

"The children—the little boy and girl, whom, thank God, we brought are the bright lights in our emotional gloom. Their eagerness, their amusing behavior, their constant loyalty and affection, point us more powerfully than anything else to an untiring hope."
"If there were more children—if babies were born among us, new

"The children—the little boy and girl, whom, thank God, we brought are the bright lights in our emotional gloom. Their eagerness, their amusing behavior, their constant loyalty and affection, point us more powerfully than anything else to an untiring hope."

"We would like to restock the sea with fish, but we are doubtful about the possibility of establishing a biological economy there. We have numerous fishes in an aquarium on the Ark, and perhaps at some later date we shall make the attempt."

"Shirley Cotton has fallen more or less in love with Tony. I would not enter this in a diary that is, perhaps, to be history, except for the fact that she announced it to everyone the other day, and said that she was going to move for a system of marriage codes by which she could compel him to become her mate as well as the Ark's doctor. It must have added to the Ark's problems, she has said nothing about it, and appears not to mind. But Shirley has pointed out what everyone has often thought privately—there are thirteen more women than men. All the women but five are under forty years of age. Nearly half the men are more than fifty. Our other party, which appears lost, contained more of the younger people."

"So at the end of two weeks we find ourselves disturbed by many questions, working hard, and realizing slowly the tremendous difficulties to be conquered.
"Yesterday and the day before it rained. The days were like rainy ones on earth, with grey skies and an incessant heavy drizzle that was covered by the occasional down-pours. The river at the farm rose. The earth around us became a slough of mud, and we were trapped in a spongy, soggy and uncomfortable. When the skies cleared, however, Tony was jubilant. His wide acres were covered with even rows of green, and indeed, the farm was a beautiful spectacle. Hendron ordered Kyoto to serve a meal which was an anticipatory thanksgiving.
"We have moved our animals to the farm and put them in stockades,

her father as his difficulties increased. "Tony," she asked him, "what do they—the opposition—say about father?"
"There's no real opposition," Tony denied. "We'd be crazy to oppose each other; we'd be stark insane! A hundred and three of us upon an empty planet. Surely we're more sane than that."
"Tony, tell me," insisted Eve, "what you hear them say! Father's through? They want another leader; isn't that it?"
"No," denied Tony. "They want 'No,' said Tony. 'They want not doing it now as he did, you know.'"
"But he will again! They're so unfair to father!" Eve cried. "How much more of a man can they expect? He brought us all through the greatest venture and journey of mankind; and they complain that now he rests a little, that he does not immediately explore. Does it occur to nobody that perhaps father is too wise to explore or to permit others to wander off—exploring? It must not be done now; and yet, And you know why?"
"Yes," said Tony; for he was too familiar with Hendron's fears—which were these: Since the spores of certain plants had manifested themselves upon Bronson Beta, it was probable up to the practical point of certainty that spores of disease-inducing bacteria also had survived. These would be found where the previous "hosts" of the bacteria had dwelt and died—that is, in the villages and the cities of the other people.

So Hendron, in this new mood of awe, feared the finding of dwellings of the other people; he forbade, absolutely, further exploration. Hendron was tired; he had borne too much; he would risk no more. He became obsessed with a passion to preserve and keep safe these followers of his, whom he considered the last survivors of the human race.

(To Be Continued)

MINING COURSES ARE SUCCESSFUL

Upwards of 1,100 Individuals Attended Prospecting Classes Held With Provincial Assistance

Pioneered here by the Victoria Prospectors' Association, which a year ago provided free tuition in elementary geology and mineralogy for would-be prospectors, extension of the plan this year with Government assistance under the Department of Mines and Education has had good results. It was intimated yesterday, at the Legislative Buildings.

Approximately 1,100 persons, many of whom were youths, have attended short courses established with local co-operation in a number of centres about the province. Classes were held in seventeen centres, apart from the ordinary practice of holding lectures by resident mining engineers. In Victoria, the Victoria Prospectors' Association again co-operated with the Province, in classes held for several hundred individuals.

Practical training in prospecting and elementary tuition in geology and kindred subjects were featured at these courses with excellent results.

Outside of the schools entirely, some 18,000 persons took the field last year with provisional and regular free miners' certificates, on their own initiative and at their own expense. Irrespective of what-

ever the Province may decide to do by way of assisting prospectors, increased numbers will join in the search for minerals this season, it is anticipated.

Does Your Stomach Ever Complain?

The sufferer from stomach troubles, such as dyspepsia and indigestion, must be very careful of what he eats, well knowing he will suffer for any indiscretion in diet.
The proper way to get rid of stomach troubles is to take Burdock Blood Bitters, a medicine which regulates the bowels, tones up the stomach, promotes perfect digestion, and restores health and strength to the debilitated system.

For sale at drug and general stores; put up for the last 55 years by The T. M. B. Co., Limited, Toronto, Ont.

BURDOCK BLOOD BITTERS

"Why are you puffing, Marigold darling?"

MARIGOLD had arrived at the telephone quite out of breath. And Sinclair, whom she had just recently married and who was waiting on the line, asked her why. "I was upstairs," she explained, "and I had to hurry down to answer the telephone." Sinclair was awfully sorry. "We'll have to get an extension telephone upstairs. Then you won't tire yourself by rushing about like that."

MARINE, RAIL and AIR

Survey Vessel to Depart for West Coast Next Week

Staffs of William J. Stewart and Pender Ready for Season of Hydrographic Work in Vancouver Island Waters

On Monday afternoon, preparatory to commencing active survey work for the 1934 season, the survey ship William J. Stewart will be taken out in the Strait of Victoria Harbor for compass adjustment. On the following day, in the same waters, the ship's direction finding instruments will be calibrated; and on Wednesday, the new echosounding machine will be placed aboard, and the Stewart will leave for the West Coast of Vancouver Island, according to a statement made yesterday by H. D. Parizeau, hydrographer in charge of the survey on the Pacific Coast.

Leaving Victoria, the Stewart will proceed to Nootka Sound with the crew of the Pender and supplies for the houseboat. The Pender will be taken to Esperanza Inlet, where she will be busy during the greater part of the season completing the

topography of Nootka Sound. When the work at Esperanza is finished, a start will be made on Kyuquot Sound.

Returning to Victoria from Esperanza Inlet, the survey ship will take the regular staff and equipment to Ucluelet, where the early part of the season will be employed in making ship soundings. These soundings will be made of shore between Ucluelet and Nootka. Later on a survey from Maquinna Point, Nootka, towards Lookout Island, Kyuquot Sound, will be carried on, getting triangulations, making coast-line surveys, taking topography and carrying out boat soundings between these points.

FOG HINDERS
During the latter part of July and early in August, when great banks of fog cling close to the West Coast shore, Mr. Parizeau states it is the intention to resume survey work in the vicinity of the international boundary line between Discovery Island and the Fraser River. It is hoped, with favorable weather, to complete this part of the work during the present season's operations.

During the balance of the year, the surveys will be employed in the vicinity of Clayoquot Sound.

MONCTON WALLOPS DETROIT IN HOCKEY FINAL

Hudson's Bay and Spencers Battle to Second Draw in Mid-Week Soccer

Store Elevens Play To 2-2 Score After Half-Hour Overtime

Fail to Come to Decision After Another 100 Minutes of Soccer in Rennie & Taylor Cup Competition—Both Teams Score During Extra Time—Garrison Defeats Maccabees 2-1

After battling through 100 minutes of hard and aggressive football, Hudson's Bay and Spencers failed to come to conclusions in their replay match in the Rennie & Taylor Cup Series yesterday afternoon at the Royal Athletic Park in the Wednesday League, the teams leaving the field at the end of half an hour of overtime with the score deadlocked at two-all. In the opening game of the double-header, Garrison advanced to the next round of the McKay shield competition by noosing out Maccabees, 2-1. Angus "Scotty" McKay, donor of the trophy, was escorted on the grounds by President Gelling, Fieldhouse, Speller, Hill, Roberts, Eastwood, Chapman, T. Graves and Newell.

Last week Bays and Spencers fought through seventy minutes to a 1-1 draw, making it 170 minutes without a decision being reached. The result means another replay, which will take place either next week or the week after. Survivors will earn the right to meet the Garrison in the final. Work Point's aggregation won their way to the final by a 2-1 win over the Navy last week.

"Curry" Ward's goal late in the first overtime session, resulting from a well-engineered forward movement by "Tubby" Stevens, was responsible for giving Hudson's Bay a draw with the league champions. Both teams played hard all the way, and it would be unfair to pick out individual stars, although Bussell, Spencers captain, turned in a whirlwind exhibition at centre half, while the Hudson's Bay backs, O'Connell and Wyatt, stood up under some terrific pressure.

BAYS PRESS
Pressing from the start, the Bays had the better of the early exchanges. Stevens sampled a first-timer from well out and nearly scored, while Fish smashed a hard drive towards the goal, which McKellan handled well. The Bays kept on the offensive for several minutes and Spencers' goalie was busy clearing shots from all angles. Spencers broke away occasionally and McKinnon barely missed after tricking his way past O'Connell. The first goal came about halfway through the canto, when Dick Bradley, Spencers left half, headed into his own goal after Ed Morgan had crossed beautifully to the goal area. For the next ten minutes Spencers pressed with renewed rushes, but failed to score before the half ended.

Morgan had a fine chance to put the Bays two up but smashed a hard drive over the bar from close in, while Clarke, of Spencers, did the same after taking a neat pass from Wilson. Both teams were fighting hard and the pace was beginning to flag. Spencers tied the score when McKinnon worked along the wing, swung over a fine cross and Brown registered to the corner from a few feet out.

Les Bradley put in two long shots in an attempt to break the tie, but Stevens broke through on Fish's pass and had a glorious chance to score, but Bradley came from nowhere to kick clear. Spencers were trying hard for the winning goal as the full time whistle sounded.

BREAKS DEADLOCK
After Stevens and Johnson had missed, Charlie Luxton broke the deadlock after seven minutes with a lovely shot to the corner. Bussell started the rush which terminated in Spencers taking the lead. Not long after Stevens hit the crossbar with a high shot, his forwards failing to connect with the rebound. At the first extra period was just about up, Hudson's Bay tied the score. Stevens got possession, passed to Johnson, who swung the ball to Ward. The latter made no mistake, scoring as the goalie rushed out to meet him. The squads fought desperately to the finish, but failed to decide a winner.

Alcock refereed and teams follow: Spencers—McMillan, Cann, Munroe, L. Bradley, Bussell, D. Bradley, Browne, Wilson, Clarke, Luxton and McKinnon.

Hudson's Bay—Baxter, O'Connell, Wyatt, Oatman, Mott, Collier, Fish, Johnson, Stevens, Ward and Morgan.

GARRISON WINS
Scoring two quick goals in the early part of the second half, Garrison eliminated a hard fighting Maccabees eleven from the shield competition by the odd goal in three. Play was well distributed throughout and it was anybody's game to the finish. Chuck Chapman, basketball star, turned out for the first time this season as centre for the losers, and played a fine game. He scored his team's lone tally, which was the best of the game, heading in from almost an impossible angle.

After play had swung up and down the field during the first minutes, the Work Point lads nearly scored when Miller banged a terrific shot, which Wilmschurst just managed to tip over the transverse. Still pressing, the soldiers were awarded a penalty against Gelling for hands. Pete Burgess shot straight at the goalie, who lost control of the ball, and then managed to scoop it clear before the forwards could reach it. The half ended with no score.

The second half was not very old when the Garrison scored the opener, Cook driving in from an

angle with a low shot which caught the corner. Not long after, Edwards registered from a melee to make it 2-0. The Maccabees got back in the fight when Chapman headed in a beautiful goal following a corner from the right winger. Try as they did, the Maccabees failed to tie up matters before the final whistle.

HOMER BEATS SEATTLE 6-5

Anton's Circuit Gives Oaks Win Over Indians—Sacs Whip Beavers

Leroy Anton, first baseman, hit a home run over the left field fence yesterday to break up a tie score and enable Oakland to defeat Seattle's Indians, 6-5, in a hard fought game.

Manuel Salvo limited Portland to three hits, two coming in the last inning with two out as Sacramento defeated the Beavers, 10-0. The big guns of the Los Angeles baseball club boomed again as the league leaders and 1933 winners of the Pacific Coast League won their second straight game from Hollywood, 11-7, in a wild contest at Los Angeles.

THISTLES WORKOUT
A workout of the Saanich Thistles football team will be held tonight at the Royal Athletic Park at 8 o'clock. All players are asked to be on hand.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON

A Miracle of Recovery—Bradley Burton's recovery after he was shot through the head in an accident, the bullet passing behind both eyes, has been termed a miracle and a "one in a million" case by the attending physician. The accident was the result of somebody "playfully" aiming a gun at Bradley's head, a practice which cannot be sufficiently warned against. Although brain fibres were pressed into Bradley's blood by the impact of the bullet, the eyeballs were not shattered and, except for blindness in one eye, he is in perfect physical condition.

Please address all queries to Cartoonist Ripley, c/o King Features, New York City, N.Y.

Kirkwood Puts Them Over

YOUTHFUL baseball players at Coral Gables, Fla., got more than a handful of Spring training when Joe Kirkwood, Australian trick shot golf artist, began feeding them sizzlers over the plate. Here is Joe about to send an up-shoot in the direction of batter and catcher. The batter was unable to hit more than one in a hundred and the catcher couldn't hold the ball at all.

SEMIS REACHED IN GOLF MEET
Mrs. Oldham, Miss Wilson, Mrs. Share and Miss Powell Win in Mid-Island Tourney

DUNCAN, April 11.—Play in the Mid-Island golf championship advanced, yesterday, with the semifinals left to be finished. Yesterday's results follow:
Championship Round
Mrs. Harper defeated Miss Grant, 5 and 4.
Miss Hogan defeated Mrs. MacLachlan, 1 up.
Miss Jones defeated Mrs. Aldersey, 6 and 4.
Mrs. Prest defeated Miss Robertson, 5 and 4.
Mrs. Morten defeated Miss J. Duncan, 2 up.
Miss Hogan defeated Mrs. Rhodes, 2 up.
Mrs. Watson defeated Miss Bond, 4 and 3.
Mrs. Prest defeated Mrs. Morten, 2 and 1.

Forty Canadian Bowlers to Go to Empire Games
WINNIPEG, April 11 (CP).—The Manitoba Lawn Bowling Association today prepared to select two members to the Canadian lawn bowling team that will make a tour of England this summer.

It is believed forty bowlers will make the trip and from this number a team will be selected to represent the Dominion in the British Empire Games in London.

The team will sail from Quebec, July 14, and leave for home, August 11, from Southampton.

Line-ups follow:
Winners—Meretley (3), Sherman (3), Aitchison (10), Rogin (7), Byrne, Denial (4), Mantals (3), Gainsup, Total, 28.
Nationals—L. Patrick (8), M. Patrick (9), Griffin (6), Melville (6), Gossall, Schuler, Total, 29.

Line-ups follow:
Vancouver Province tonight defeated Raymond Union Jacks, 46-31, in the first game of a two-out-of-three series in the inter-provincial senior men's basketball play-downs. The second game will be played here Friday, the winners of the series to meet Manitoba.

The Coast invaders, who led 28-14 at half time, owed much of their effectiveness to "Long John" Purves, their centre, who controlled the tip-off. Posted under the basket, the lanky basketballer from British Columbia took rebound after rebound to roll up eighteen points and take high scoring honors.

Reed Kirkham, high scoring forward, of the Alberta Senior League, was completely "smothered" and scored only four points. Nilsson's effectiveness was marred by three personal fouls early in the first period while he was endeavoring to stand off Purves' attack under the net.

The visitors uncovered a fast breaking offensive and the Jacks were slow in getting down the floor. They were also inaccurate in their shooting, being too closely guarded to play their usual brilliant offensive game.

Line-ups:
Vancouver—Kennington (9), McIntyre (13), Purves (18), MacDonald (3), Armstrong (1), Bumstead (2), Smith, Chater, Helem, Will, Total, 46.
Manitoba—Kirkham (4), O'Brien (11), Fairbanks (10), Rolfsen (2), Nilsson, West (2), Nalder (2), Total, 31.

MONTREAL WINS
MONTREAL, April 11 (CP).—Assumption College, of Windsor, Ontario, Ontario senior basketball champions, tonight lost the first game of the Ontario-Quebec Dominion play-downs by the narrowest of margins, defeated by Nationals, Province of Quebec champions, 29-28.

The teams met again here on Friday night and if a third game is necessary, it will be played here Saturday. The winners will tackle Dalhousie University, of Halifax, Maritime titlist, in the Eastern Canada semi-final.

Nationals ran into a style of game unknown here, scientific to a degree, but in the end, the team of the Montreal team was just a little too much.

The issue was in doubt to the last minute. Murray scored the winning point with only a few seconds to go. He had been fouled by Desjarlais, of Windsor, as he pivoted to shoot and was awarded two free shots. He missed the first, but dropped the second through the hoop, breaking a 28-28 tie. Nationals were awarded every thrust of the Ontario team thereafter.

Line-ups follow:
Windsor—Meretley (3), Sherman (3), Aitchison (10), Rogin (7), Byrne, Denial (4), Mantals (3), Gainsup, Total, 28.
Nationals—L. Patrick (8), M. Patrick (9), Griffin (6), Melville (6), Gossall, Schuler, Total, 29.

Thursday night at a special meeting here, Charles Thomas, general manager of The London Free Press, was chosen chairman of the British Empire girls' track and field committee. Doug B. Weldon is treasurer, and Gordon W. Young secretary.

Winners of the senior events at the trials here will be included in the team for the Empire Games. The junior, intermediate and senior Canadian titles will be decided in the various events also.

PROVINCE IN EASY WIN IN HOOP SERIES

B.C. Champs Trim Albertans 46-31 — Muzz Patrick Beats Assumption

RAYMOND, Alta., April 11 (CP).—Vancouver Province tonight defeated Raymond Union Jacks, 46-31, in the first game of a two-out-of-three series in the inter-provincial senior men's basketball play-downs. The second game will be played here Friday, the winners of the series to meet Manitoba.

The Coast invaders, who led 28-14 at half time, owed much of their effectiveness to "Long John" Purves, their centre, who controlled the tip-off. Allan Cup Holders Completely Outclass Detroit White Stars in Third Game of Series—Eight Members of Winners Share in Scoring Honors—Small Crowd Attends

MAPLE LEAF GARDENS, TORONTO, April 11.—Montreal Hawks spread their tired wings for the first time in a couple of weeks here tonight and won the North American amateur hockey championship with a landslide victory over Detroit White Stars, United States titleholders, 13-3.

Only 250 or so spectators sat in on the big killing at the Allan Cup champions went systematically to work to see how many goals they could score against a team they had previously out-classed twice on the form sheets, but beaten only once on the score card.

IN HIGH GEAR
Stars won the first of the three-game series here last Saturday night by 2-1, in overtime, and the Hawks evened the count by winning 4-1 on Monday night. With the title at stake, the best brigade from the Maritimes went into high gear at the start tonight and were seeking goal No. 14 at the finish as earnestly as they had sought No. 1 in the first stanza.

Everybody on the Moncton line-up, except Goaler Jimmy Foster, took a hand in the scoring, and everybody scored at least once, with the exception of Foster and Nucker Irvine, Jean left-winger, who got his name in the scoring record with an assist.

Duke McDonald, Bill Miller, Bill Gill, Sunny McManus and Aubrey Webster scored two apiece, and Bert Connolly, Dud James and Len Burage kicked in with the others. It was just the sort of high-powered scoring Toronto fandom had expected of the Hawks in the first game.

STARS OPEN SCORE
The luckless White Stars scored the first goal of the contest on a neat passing play, Al David shooting the puck past Foster. Then the Hawks ran in five without delay and led 5-1 starting the second period. They banded in three more in the middle stanza while the American champions were getting two.

It was Moncton's sixty-second game of the season, and perhaps the easiest of them all.

THE LINE-UPS
Detroit.—Goal, McMahon; defence, Wright, Robinson and Aubrey; wing, Hunt, Sullivan, Sube, Dave, Grossman, Reed, Kirwan. Moncton.—Goal, Foster; defence, Gill, Burage, centre, Connolly; wing, McDonald, Irvine, Sube, Webster, McManus, James, Miller.

Class 'B' Tourney To Commence at Uplands Sunday
PLAY for the annual class "B" championship of the Uplands Golf Club will start Sunday with the qualifying round over eighteen holes. The low sixteen scores will form the title fight and the rest of the field will be divided in groups of eight. Ties must be played Sunday.

RUGBY ABANDONED
LONDON, April 11 (CP).—Hunslet was leading Wakefield, 11-7, in a Rugby League game today, when the match was abandoned seven minutes from the end on account of fading light.

GIRLS' TRIALS SET FOR JULY
Western Ontario Stadium at London to Be Scene of Tests

LONDON, Ont., April 11 (CP).—Arrangements were nearing completion today for selection of the girls' team that will represent Canada at the British Empire Games in England in July. The trials to decide the team which will invade England will be held at the University of Western Ontario stadium here, July 6 and 7.

Thursday night at a special meeting here, Charles Thomas, general manager of The London Free Press, was chosen chairman of the British Empire girls' track and field committee. Doug B. Weldon is treasurer, and Gordon W. Young secretary.

Winners of the senior events at the trials here will be included in the team for the Empire Games. The junior, intermediate and senior Canadian titles will be decided in the various events also.

Line-ups follow:
Windsor—Meretley (3), Sherman (3), Aitchison (10), Rogin (7), Byrne, Denial (4), Mantals (3), Gainsup, Total, 28.
Nationals—L. Patrick (8), M. Patrick (9), Griffin (6), Melville (6), Gossall, Schuler, Total, 29.

NIGHT BASEBALL HERE PRACTICALLY ASSURED

Parks Committee Favors Proposal To Install Lights

Victoria Senior Amateur Baseball League May Operate Royal Athletic Park for Year if Certain Safeguards to City Are Made—Plan to Be Submitted to Council

Playing of baseball and soccer here under the glare of a huge battery of floodlights, at the Royal Athletic Park, is practically assured as a consequence of yesterday's meeting of the city's parks committee, of which Alderman John Worthington is chairman.

The committee, it was reported, viewed with favor the proposal advanced by the Victoria Senior Amateur Baseball League for the installation of a floodlight plant that would generate 40,000 candlepower, giving sufficient light for both baseball and soccer games at night.

However, the committee's approval of the scheme carries with it several reservations, most important among which is one with regard to the maintenance of the park. All the other reservations are of a character designed to safeguard the city's interests.

TO TAKE OVER PARK

The plan laid before the committee at its meeting was that the Royal Athletic Park be turned over to the Victoria Senior Amateur Baseball League for the year. It would take all the revenue and all

the end of the year turn the park back to the city, with the improvements that would have been made amounting to nearly \$10,000.

In approving of the scheme, the committee felt that the city should be reimbursed for any maintenance cost or improvements carried out by the parks department during the year.

In the past the maintenance and improvements have been paid for by the city out of revenue secured from the park.

TO GO TO COUNCIL

For instance, the senior baseball league turn over to the city 15 per cent of the gate receipts at games played in Victoria and outside teams, and 25 per cent of the receipts of home games. An estimated revenue of \$2,000 was placed in this year's budget to cover revenue from all sources at the park.

The committee consequently feels that any maintenance costs during the year should be paid for by the baseball league.

This proposal will be submitted to the baseball league before the scheme is recommended to the City Council for approval.

LEAFS AND WINGS SET FOR TOUR

Toronto and Detroit Icemen to Leave on Western Canada Trip Tonight

TORONTO, April 11 (CP).—Detroit Red Wings and Toronto Maple Leafs, the teams that fought it out for the National Hockey League championship with the pain going to Wings, will leave here tomorrow night for Winnipeg to start an exhibition tour of the West.

Wings, who lost out in the Stanley Cup finals to Chicago Black Hawks, will arrive in Toronto tomorrow morning. Both teams will leave Toronto at 10:30 o'clock tomorrow night for Winnipeg.

Reg. Hamilton, husky defence star of St. Michael's, junior Canadian champions, will join the Leafs in the West to take part in the exhibition games, according to Frank Selke, Leafs' official.

Hamilton, according to Selke, is expected to sign a contract with Leafs next winter. Leafs also have been angling for Jack McKeen and Art Jackson, of St. Mike's.

PRIMEAU NOT TO TOUR

All the Leafs except Joe Primeau will make the western trip which calls for games in Winnipeg and Vancouver and probably Los Angeles. Conny Smythe, manager,

is expected to sign a contract with Leafs next winter. Leafs also have been angling for Jack McKeen and Art Jackson, of St. Mike's.

Hamilton, according to Selke, is expected to sign a contract with Leafs next winter. Leafs also have been angling for Jack McKeen and Art Jackson, of St. Mike's.

PEDEN AND ZACH TAKE BIKE RACE

Local Boy and Swiss Partner Capture Cleveland Grind on Points

CLEVELAND, April 11 (CP).—Canada's bicycle champion and his Swiss mate whirled around the oval at Public Hall in a furious hour of cycling, tonight, to receive the floral horseshoe in token of victory in Cleveland's second six-day bicycle race since the snow began flying last fall.

William "Torchy" Peden, of Victoria, and Freddie Zach, of Switzerland, wound up after 144 hours of work at the pedals, about 200 points ahead of their rivals, who made life miserable for them during the final sprints.

Second was the team of Alfred Letourneur, France, and Henri Le Page, Montreal, knotted on laps with Peden and Zach, but at a disadvantage in points. With their total of 2,453 miles and seven laps, the winners had 940 points. Letourneur and Le Page also had seven laps, but only 751 points.

Two teams dropped out toward the end of the grueling race, Charlie Grimm, of Brooklyn, and W. H. Winter, of New York City, and Gerard Debaets, of Belgium, had to call it a day thirty minutes before the close of the race, when Debaets was carried from the track with stomach trouble.

Shortly afterward, Jimmy Walther, of Brooklyn, and W. H. Winter, of New York City, and Gerard Debaets, of Belgium, had to call it a day thirty minutes before the close of the race, when Debaets was carried from the track with stomach trouble.

With fifteen minutes to go, Peden and Zach were in the lead, but they were slightly ahead of the field at the moment, and the crowd, the only near-capacity one in days, boomed.

For the benefit of the customers and in derision, Letourneur lay down in the middle of the track and simulated sleep while Peden recovered. He was unhurt. A section of the crowd booed the winners as they crossed the finish line, but cheers tempered the outburst.

The judges announced Peden and Letourneur as the winners, but the spill was legitimate in that he had lost a pedal.

President William Quick, of the Spanish and Suburban League, and Secretary Percy Reeves, of the same league, addressed the gathering. President Jack Taylor was in charge of the function, assisted by Secretary Bill Erickson. The following teams were presented with silverware:

Men's senior "A" Blue Ribbons, emblematic of city championships; Coach Chapman; men's senior "B" Colman; Frank Elliott; men's senior "C" Mount Toime Cougars, W. Knapp; women's senior "B" Adverta, "Biddy" Boyce; men's intermediate "A" Beavers; Bill Levy; intermediate "A" girls, Lake Hill; Connie Johnson; intermediate "B" boys, Desales, Chuck Sharp; intermediate "B" girls, Live Wire; Jessie Macdonald.

CHICAGO, April 11 (AP).—Roger (Broadway) Jenkins, husky Chicago Black Hawk defence star, had to pay a price today for lack of faith. Two months ago Jenkins promised Galle Chuck Gardner, if the Hawks won the Stanley Cup this year, he would trundle Gardner about the loop in a wheelbarrow.

"For your lack of faith," Gardner said, "you will get a chance to wheel me, and you'll do it high noon the day after we cop that cup."

The ceremony was performed at high noon today.

Squire's Wife—And where's your daughter, Mrs. Hodge?

Mrs. Hodge—Well, to tell you the truth, mum, her was that useless in the house, I sent her out to domestic service.

CAGE SQUADS RECEIVE CUPS

Victoria and District League Teams Given Trophies by Alderman Adam

Cage teams in the Victoria and District Basketball League officially closed the 1933-34 season last night at Speedie's Cafe, with the presentation of trophies won during the season, by Alderman James Adam, at the annual social.

More than seventy-five attended and another successful season was recorded in the books. In presenting the championship cups and individual trophies to the winners, Alderman Adam congratulated each on his or her team's victory and wished them every success in the future.

President William Quick, of the Spanish and Suburban League, and Secretary Percy Reeves, of the same league, addressed the gathering. President Jack Taylor was in charge of the function, assisted by Secretary Bill Erickson. The following teams were presented with silverware:

Oaklands Cagers Win Senior City Schools' Honors

Playing better ball all the way, Coach Tommy Little's hoopers from Oaklands School captured the senior boys' city basketball championship yesterday afternoon at the George Jay School grounds by defeating South Park in the final, 23-17. The winners took a 2-2 lead in the early stages of the first half, but South Park rallied and knotted the score at the interval. Led by Zimpson, star forward, Oaklands forged into the lead again as the final half started, and held it to the finish.

Alan Le Marquand refereed and teams followed: Oaklands—Simpson, Billborough, Blackstock, Ridland, Kennedy and McMillan.

South Park—Naysmith, Mylra, Hood, Whitfield, Hall, Brown.

Herb Lewis Tops Marksmen in Cup Hockey Play-Offs

Final scoring statistics for the National Hockey League play-offs follow:

Lewis, Detroit 7 2 9
Aurle, Detroit 3 5 8
Goodfellow, Detroit 4 3 12
Thompson, Chicago 4 3 7
Rommie, Chicago 2 5 7
Gottlieb, Chicago 4 2 6
Conacher, Toronto 3 2 5
Dorsey, Toronto 2 4 0
Primeau, Toronto 2 4 0
MacFadyen, Chicago 2 2 4
Welland, Detroit 2 2 6
Couture, Chicago 1 2 3
March, Chicago 2 1 3
Two Points—Morens, Canadiana, goal and assist; Robinson, Maroons, goal and assist; Laroche, Canadiens, goal and assist; Thoms, Toronto, two goals; Blair, Toronto, two assists; Sorrell, Detroit, two assists; Wentworth, Maroons, two goals; Conacher, Chicago, two goals; Graham, Detroit, goal and assist; Starr, Detroit, two assists.

One Goal—Horsner, Toronto; Ripley, Rangers; Gagnon, Canadiana; Sands, Toronto; Jackson, Toronto; Cook, Chicago; Coulter, Chicago; Pettenger, Detroit; Young, Detroit; Stanley Cup Finals—Three out of five.

CHICAGO, April 11 (AP).—Soccer games in the Old Country today resulted as follows:

FIVEPIN LOOP FINISHES YEAR WITH BANQUET

Inter-Service League Holds Grand Finale at Britannia Branch

Another successful season was terminated in the Inter-Service Fivepin Bowling League, which operated at the Arcade Alley, last night, at the Britannia Branch, Canadian Legion, when members of the teams, friends and officials gathered for their second annual grand finale. H. Thompson, president of the Britannia Branch, acted as chairman, while President W. Morry, of the league, sat at the head table. Secretary Charles A. Kinney assisted in making the evening a big success.

To the captain of the Naval Veterans' team went the newly-donated cup, donated by H. Thompson, while Charlie Chislett was presented with the high individual game prize, and C. Rodway the award for the high three-game total. Chairman Thompson presented the cup and other prizes.

Four teams operated in the league during the season, including the Naval Veterans, champions for the season; Britannia Branch, the Pacific and the Veterans of France. The Naval Veterans won the title by defeating Britannia, first-half winners, in the playoff.

TO INVADE PORTLAND

Plans for the sending of a fivepin bowling team from the league to compete in a special tournament to be held in Portland during the international convention of the Canadian Legion were proposed by Chairman Thompson. Charlie Chislett, veteran bowler, was named captain of the squad, and a strong aggregation will be selected to make the journey.

A fine musical programme was presented, and the following artists took part: Ray Hunt, Doc Walton, W. Lee, W. Morry, J. G. Clarke, V. Scarborough, and some of the Don Mills' entertainers.

CHICAGO, April 11 (AP).—In a driving finish that brought him to the wire with a length to spare, Seth's Hope won today's feature race at Tanforan track, a route run over a mile and seventy yards.

Georgia Burns was up on the Mrs. J. A. Parsons' entry. He held his mount in restraint in the early running and overtook Winslow in the stretch to win handily.

Zevar finished fast to beat out Winslow for second place; the latter established a good lead at the start but couldn't hold it. The horses ran one-two-three, according to the time players.

The time was 1:44 1-5. Seth's Hope paid \$6.80, \$3.80 and \$2.60. Zevar returned \$4.20 and \$3.00 and Winslow \$4.20.

First Race—Spreckels course: Princess Val (Nashua) \$4.80 1 4 00 33 30
Don Luccie (de Burna) \$14.00 14 20
Serving Lad (Turk) \$3.80
Time, 1:11 1-3. Also ran: Dottie, Baby, Little Uchula, Silk Sider, Bronx.

Second Race—Spreckels course: Eleanor M. (Williams) \$7.40 15 00 33 00
Knights Cap (Rosenstein) \$4.20 15 00
Dr. Jillion (Rosenstein) \$3.80
Time, 1:12 1-3. Also ran: Simon, Active American, Hissmudder, Old Times, Little Uchula, Lucille K. Mon.

Third Race—Five and one-half furlongs: Rapid Bell (London) \$8.00 15 00 32 00
Barbara Lee (McGowan) \$2.80 15 00
Pop O' Burn \$2.80
Time, 1:07 3-4. Also ran: Don Alvaro, Nether.

Fourth Race—Four and one-half furlongs: Peter Bell (Williams) \$11.40 15 00 32 00
All Devil (Graziano) \$5.00 15 00
Bon Amour (Turk) \$3.40
Time, 1:03 3-4. Also ran: Little Ford, Glodora, Crystal Beauty, White Bread, Miss.

Fifth Race—Mile and seventy yards: Zevar (London) \$4.20 15 00 33 30
Winslow (Nashua) \$3.80
Major Lampier, Black Mammy, Riccardo, Rith Racer (Nashua) \$3.80
Publication (Williams) \$3.40 15 00 34 30
Let Her Play (Nashua) \$3.40 15 00
Vera Crofton (Nashua) \$3.40
Time, 1:04 3-4. Also ran: Shortie, Madam Queen, Zethern, Garde, Ono, True Blue.

Sixth Race—Mile and seventy yards: King Caravan (Williams) \$22.00 15 00 33 00
Sun Thrills (McGowan) \$11.00 15 00
Time, 1:03 3-4. Also ran: Portmanteau, Swiftly, Zome, Clarabel A. Vanden, Four Pan, Maxwell M.

Seventh Race—Mile and seventy yards: Blunder \$11.00 15 00 33 00
Nashua \$11.00 15 00
Call to Arms \$11.00 15 00
Royal Chief \$11.00 15 00
Lemmo De H \$11.00 15 00
Hemage \$11.00 15 00
Little Kid \$11.00 15 00

Stocks Irregular And Bonds Gain At Wall Street

NEW YORK, April 11 (AP).—Stocks following conflicting currents in the news today and settled into irregularity after a promising start. Bonds, on the other hand, were rather strong, moving ahead to another new average high.

Labor difficulties caused considerable uncertainty among speculative traders, and motor issues dropped. Ralls perked up a bit, but metals weakened. Transactions 1,566,430 shares.

Motor stocks yielded fractions to around a point. U.S. Smelting edged 3 and McIntyre 2. There were intermittent flurries in a miscellany of stocks, including U.S. Gypsum, Armour of Illinois issues, Neisner Bros., U.S. Pipe, Aviation Corporation and American Radiator.

Santa Fe was best of the active rails, up more than a point. A majority of the changes in so-called leaders were fractional either way. American Can was firm and both General Electric and Westinghouse reflected their larger first-quarter bookings.

The demand for listed bonds was broad and active and many issues again bettered their top prices for the past two years or more. The average for sixty domestic corporate loans advanced four-tenths of a point to 87, another post-1921 peak. Foreign obligations were a little irregular.

Vidette—1,400 at 1.71 to 1.75; 100 at 1.76.

There was evidence of some foreign business and observers reported good resting orders in the market just under the current levels.

Liverpool wheat was unchanged to 1 1/4 higher and Broomfield confirmed a large business in Canadian and United States wheat to England.

Cash grain offerings were restricted and only a limited business was transacted. Pit trade in coarse grains was of a routine nature, with prices holding comparatively firm.

WINNIPEG, April 11 (CP).—

Concentrated purchasing in the closing minutes of trading held prices steady on the Winnipeg Grain Exchange today and quotations finished 1-8 cent higher to unchanged. May wheat closed at 77 3/8, July at 68 3/4 and October at 67 3/8 cents.

There was evidence of some foreign business and observers reported good resting orders in the market just under the current levels.

IN THE MATTER OF THE ESTATE OF MRS. HARRIET NELSON, Late of the City of Victoria, Deceased

NOTICE IS HEREBY GIVEN that all creditors and other persons having claims against the estate of Mrs. Harriet Nelson, who died on the twenty-fourth day of January, 1934, are required on or before the fifteenth day of May, 1934, to send by prepaid delivery to the undersigned solicitors for James Hobbins Hill, Frederick Landreth and George Macgregor, executors of the said deceased, their claims, statements of their accounts and the nature of the securities (if any) held by them.

AND FURTHER TAKE NOTICE that after the said fifteenth day of May, 1934, no claim shall be received or allowed, and that the executors will proceed to distribute the assets of the said estate to the persons entitled thereto, having regard only to the claims of which they shall then have notice.

Dated the fourth day of April, 1934.

Soccer Chatter

By A.F.A.N.

Let's see what has happened last Saturday. Arsenal, Rangers and Thistles just about cinched the Scottish, English and Victoria Leagues, respectively, and Manchester City won a full-dress rehearsal of the cup final. You'll note that I have put Mr. Ewing's boys in good company.

Of course, the Wests ought to have won their game, but playing in a hayfield, they often lost sight of the ball just when they wanted to put it into the goal. Equilum, on the other hand, were evidently at home judging by the way in which John Watt banged a ball, which Hood must have thought came from nowhere, straight into the net.

More trouble with substitutes. To the Wests tried it out, and to their dismay found that they were fielding twelve men. No one knew who was relieving whom, and the game to untangle the mess. At eleven men were chosen to finish off for the Wests.

If we have any more consistently good players than DeCosta, F. O'Brien, James, Jimmy Hay and McEwan, we would like to hear them. Then, too, we took three weeks ago to play fullback at Nanaimo, last week to play forward, and on both occasions he covered himself with glory; yet he is not on the rep team!

Another man who is bidding for rep honors is Little Holmes. Six and a half feet high, with a good turn of speed and a well-aimed shot. And surely John Watt is still our most sound right fullback.

The City team, as usual, played superlative football on Saturday, but it was the other fellows who scored goals. If ever they realize that games are won by goals, then let the other teams look to their heels.

Sunday's game at Nanaimo was a tough game to lose. We lost it in the first half, when no one but DeCosta could do the right thing. After having played in a jungle of grass on Saturday, the other fellows found themselves trying to control a lively ball on a hard tennis court.

Nanaimo knew every bounce to the inch, but it took Victoria too long to adapt themselves.

Then we lost our chance of winning, or even tying, in the second half by lack of condition. Both teams were tiring, and if we could have put on extra players for fifteen minutes, Nanaimo, who were on the defensive, would have had to give us best.

The best forward line we have ever fielded consisted of two halves, John Watt, Jimmy Hay and McEwan, and Scotty Stewart. And these five gave the Nanaimo defence a good time. They have never had a half-hour they have ever had to fight through, and to the fans they gave the most thrilling thirty minutes we have enjoyed this season.

And looking at our team in the second half, we found six Equilum men on the field. This led us to remark that Equilum, with the help of the other clubs, could make things show in the Connaught Cup series. But will the other teams?

It is rather ridiculous for us to enter four teams in that series, for who can imagine any one of them

PRODUCE MARKET

Following is the market letter issued yesterday by the Provincial Department of Agriculture:

AT EDMONTON

The apple market is unchanged, with a gradually diminishing demand. Practically all stocks of bulk or loose apples have been cleaned up, but some new stock of part car of R. C. Pippins, Rome and Bendoras in fifty-pound boxes arrived during the week. There is an abundance of locally grown old vegetables of excellent quality and condition still in the cellars of growers and the market for this is greatly depressed by the exceptionally heavy receipts of imported new vegetables. Two cars of British Columbia field rhubarb have been received during the week. The rhubarb is of fair size and quality and is selling fairly well. British Columbia house cucumbers are of excellent quality with demand improving. Local greenhouses are now furnishing increasing volumes of radishes, leaf lettuce, green onions, etc. British Columbia onions are selling fairly well. The potato market is quiet, with an odd car moving to British Columbia or Saskatchewan. There is some inquiry from both directions but prices offered are very low. Prices this week.

AT CALGARY

Weather continues mild and reports from Southern and Eastern Alberta would indicate that Spring operations on farms are becoming general. Jobbers report fruit and vegetable volume well maintained. This is particularly true of California and Washington green vegetables. As an indication of the large quantities of fresh vegetables handled on this market in what is considered the early season, January, February and March, the following figures will show: Texas cabbage (bulk), four cars; British Columbia celery, two cars; California head lettuce, eleven cars; Arizona head lettuce, two cars; Texas spinach, one car; Mexican beans, five cars. Also twenty-eight cars of mixed green vegetables from California. Car arrivals for March showed a decline from a total of ninety-four in March, 1933, to eighty in March of this year. Nine cars of this decline came from British Columbia apples. The total car arrivals for the three months, ending March 31, however, showed an increase of fifteen cars, figures being 235 in 1933 and 250 in 1934. The potato situation in Southern Alberta has strengthened slightly, quotations showing a gain of \$1.00 a ton—making shipping point price \$11.00. Car arrivals, March 31, to April 6, inclusive: Alberta—potato, British Columbia—two rhubarb, one box apples, two mixed apples and one mixed vegetable, two cabbage, one tomato, three citrus fruits.

AT SASKATOON

With mild weather prevailing all week business was fair to good and prospects for the future are fairly bright. Stocks of most commodities were light at the beginning of the month but since then arrivals have been liberal and the bulk of apples in jumbo crates are still arriving the greater share is now of the wrapped grades and of the McIntosh, Delicious, Newtown and

Granny Consolidated

NEW YORK, April 11 (AP)—Granny Consolidated Mining Company reports net profit of \$79,568 for 1933, including a credit of \$137,857, representing partial restoration of reserves charged against 1932 operations. This compares with a net profit of \$1,845,820 in 1932.

Now there is a bill to guarantee bank deposits. In other words, they'll tax you to get the money to pay your loss—Jackson Clarion-Ledger, U.S.A.

PLAN ELEVENTH- HOUR ATTEMPT

Aldermen Alex Peden and P.
R. Brown to Seek Forty-
Two Mill Rate

An eleventh-hour attempt to prevent default on the city's sinking fund charges for 1934 will be made by Aldermen Alex Peden and Alderman P. R. Brown, who are both opposed to the principle upon which the forty-one mill rate was struck at the last meeting of the City Council.

It is expected that at Friday's meeting of the council, Aldermen Peden will move that the rate be set at forty-two mills, and that the extra revenue provided be applied to a partial payment of sinking fund requirements.

Aldermen Peden said that every effort should be made to meet the requirements, even if only in part. In any case a forty-two mill rate would not mean an increase in taxes since the reduction in the 1934 assessment was equal to a 10 per cent reduction in taxes. In fact, a forty-two mill rate would still constitute a cut in the prop-

erty holders' tax bill, he explained. Alderman P. R. Brown is expected to advance his proposal again for a forty-two mill rate and an increase in the improvement tax. If he fails to get support, it is believed he will support the motion of Alderman Peden for a straight forty-two mill rate.

D. A. Macdonald, city comptroller, has been busy preparing a new draft of the budget and it is expected that the annual estimates by-law will be filed at the Friday afternoon meeting.

A good story is told of Lord Balfour's visit to America in 1917. Just after America entered the war, Balfour was in Washington on urgent negotiations. He was leading a very busy life.

"One evening, fatigued after a difficult day, he handed the menu card back to the venerable negro waiter assigned to serve him his dinner, and said: 'Just bring me a good meal,' and he put a generous tip on his plate. A good meal, a very good meal was served. This happened several times.

"When Balfour was waited upon for the last time by the negro veteran of the British steamer trip, before he was ready to leave the table his now devoted waiter leaned over his chair confidentially.

"Thank you, sah," he said, considerably muffled his voice behind the menu card, "and if you done got any othah friend's w'at can't read, you jes' send 'em to me, sah!"

Little Bedtime Stories

Farmer Brown's Boy Loses His Temper

By THORNTON W. BURGESS

It was a long time since Farmer Brown's boy had visited the Laughing Brook and the Smiling Pool, so of course he knew nothing about what had been going on there. One morning, having nothing else to do, he took it into his head to go over to the Smiling Pool to see how Jerry Muskrat was getting along. Jerry saw him coming, and his heart was so filled with distrust because of what he had suffered from the trapper who had so nearly caught him, that he actually suspected Farmer Brown's boy.

"I used to think that I could trust Farmer Brown's boy," muttered Jerry, "but I don't trust him. I don't trust anybody. As likely as not, Farmer Brown's boy has been friendly just so that he can take advantage of it." So Jerry promptly hid where Farmer Brown's boy

"I guess you are pretty nearly ready for cold weather," said he.

could not see him, but where he could watch Farmer Brown's boy. The latter was whistling, a habit he has when he is feeling happy. He came straight down to the bank of the Smiling Pool, and there he stood for a few minutes looking at Jerry's house. "I guess you are pretty nearly ready for cold weather," said he, just as if he were talking to Jerry. "I've brought a couple of carrots for you and I hope you will enjoy them. You'll find them over by that favorite old log of yours."

Farmer Brown's boy pulled a couple of carrots from his pocket and walked over to the old log, which lay half in the water and half out. It was the very log where Jerry had been caught in the trap by his tail. When Farmer Brown's boy got there, he gave a little whistle of surprise. There were some pieces of carrot already there. Then Farmer Brown's boy's face clouded. "I wonder what this means," said he, and at once began to look about. It didn't take him long to discover the trap fastened to the old log. "Ha! I thought so!" exclaimed Farmer Brown's boy, and his face became angry looking.

He reached down and got hold of the chain of the trap and pulled it free from the log. Then he tossed it upon the bank and at once went over to another favorite feeding place of Jerry's. There, just as he expected, he found another trap. This he also threw upon the bank, and his face looked angrier than ever.

Now Farmer Brown's boy knew all about trapping, and what is more, he knew all about the ways of Jerry Muskrat. So he went from place to place where he thought traps might be set. He found two more, and by this time he had quite lost his temper.

"I'd like to know who it is has dared set traps here," he grumbled. "This is our land, and everybody knows that we don't allow trapping. I guess I'll have to go up the Laughing Brook and see if there are more traps up there. I'll take these traps along with me, and whoever owns them will have to come up to the house to get them. Then I'll give him such a good piece of my mind that he won't do any more trapping along the Laughing Brook and around the Smiling Pool."

Next Story: The Angry Trapper.

SYNOD REAPS RENTAL FROM NAVY ISLAND

Site of Saint John's Port Development Brings Revenue to Church

ANNUAL CHARGE IS
THIRTY POUNDS

SAINT JOHN, N.B., April 11. (CP).—The Saint John Harbor Commission has to pay the Diocese of Saint John a rental of thirty English pounds a year for the land bearing some of the new Navy Island port facilities.

When the city of Saint John received title to the harbor in the eighteenth century, Navy Island was not included in the gift, but reserved "for all time" for the use of His Majesty's Royal Navy.

Taking its name from this action, the island later was seen to be of less use to the Royal Navy than rental from it would be to the Diocese. A historic institution then in need of funds.

King William IV gave the island over to the school, and when the school went out of existence in comparatively recent years the island, with the rest of the school's holdings, came into possession of the Diocese of Saint John. The Diocese continues to levy the same rental assessed by the Diocese of Saint John.

IN WORLD APART
As the city grew, fishermen began living on the island, building flimsy houses and pleasure cars and automobiles came to the mainland. Airplanes flew overhead, but the Navy Island residents lived in a world apart. Within a stone's throw of the mainland, they went without electricity, telephones and plumbing. They had the salt water to wash with and rain water to boil tea, but for fresh drinking water they had to take a boat to the West Side.

Having spent most of their lives on the island, the residents disliked the idea of leaving when port development work reached their doors. They stayed while the offer was being built, when construction of the pier and quay started, and even when the big steam shovels threatened to bury their shanties under tons of clay and stone. Finally, obliged to move, they reluctantly floated their dwellings away on scows and established residence elsewhere on the shore.

NO LONGER AN ISLAND
Navy Island is no longer an island but a joint jutting from the mainland behind a quay. Replacing the nets, boats, pleasure houses and flimsy piers are long concrete piers, huge metal sheds and gleaming railway tracks with grain conveyer galleries strung overhead.

The island was a historic spot. Champlain touched it on his exploring trips to the New World, and some 156 years ago British military officers of pre-Loyalist days met Indian chiefs there and brought about lasting peace between Red and Whites in New Brunswick.

The harbor as it is now could not have been imagined at that time. Dense forest grew down to the waterfront, and Indian canoes dotted the muddy water. The British sloop of war Albany lay in the offing. Fort Howe, stockaded and newly equipped with guns, bristled overhead.

That Body of Yours

By James W. Barton, M.D.

SHINGLES OR HERPES ZOSTER

Shingles is an acute inflammation of the skin, which appears over definite parts following the nerve supply of that part of the skin. The eruption consists of little groups of vesicles—little blisters—on an inflamed skin surface. The severe pain of this ailment is usually, but not always, grows less when the eruption has fully developed. Shingles makes up about 1 to 2 per cent of all skin ailments.

The little blisters come out in crops, and are scattered at irregular intervals along the track of the nerve. The full development of these crops takes about a week.

Some of the blisters dry up, while others burst and the liquid forms into yellowish or brownish crusts. The eruption is usually on one side and while it may occur anywhere on the body, most cases are found about the chest and abdomen.

No cause has been found for this ailment; cases occur in Summer as often as in Winter, although chill is felt to be one cause. It is thought that whatever causes neuritis—inflammation of the nerves—may also cause shingles. Thus cold, injury, poison, or long continued irritation may be a cause.

Practically every case of shingles clears up within three to six weeks, whether or not treatment is given. Where there is severe pain this of course should be relieved even to using morphine if absolutely necessary.

The pain has been likened by some sufferers to "a red hot iron drilling into the flesh."

Fortunately one attack is all any patient has to withstand; a second attack is very rare.

The treatment consists of freedom from worry, complete physical relaxation, small doses of calomel and Epsom salts, a light diet—soft boiled eggs, milk, chicken and fish—and the use of certain medicines internally, and pastes or ointments to the eruption.

The internal medicines are arsenic, quinine, phenacetin, aspirin, camphor and others given under the supervision of a physician.

The external or outside treatment consists in trying to prevent the blisters from bursting. Opening the blisters is considered unwise as it often leaves an ugly scar.

One of the preparations used under soft gauze is alcohol, which is covered with oiled silk to prevent evaporation. Lime water, black wash, carbol oil, lead water may also be used and applied freely.
